**THE BARE FACTS ON A  
 PROPOSED NUDIST COLONY  
 IN WNC**

An enterprising young man at Ft. Bragg, from the New England states, has fanned in love with North Carolina. He wants to stay here and go into business when he gets out of service within a few months. Looking for a field that does not have too much competition, the young soldier in a very business-like manner wrote the Attorney General office for facts and information relative to opening a nudist colony.

The young man had looked over the state, and had selected a spot in the beautiful waterfall section of Transylvania.

The attorney general's office hurriedly wrote back that he could not have such a colony in this state, as there was a law against indecent exposure, and that was that.

This much can be said for the young fellow. He certainly was avoiding a competitive field, and second, he did select a pretty spot of Western North Carolina laws, these are the only two bare facts his idea could comply with.  
 (The Waynesville Mountaineer)

**SCRATCH-ME-NOT  
 WITH ITCH-ME-NOT!**

In 15 minutes after applying Itch-Me-Not, if you have to scratch your itch, your 40c back at any drug store. Apply it for any externally caused itch. Ask for Itch-Me-Not today at Parker's Drug Store.

**FOR ATHLETES FOOT**

Use T-4-L for 3 to 5 days. Watch the old tainted skin slough off leaving healthy, hairy skin. If not pleased with powerful, instant-drying T-4-L, your 40c back at any drug store. Today at Mauney Drug Store.

**Strict Tests Through Every Process  
 Assure Safety of Salk Polio Vaccine**

For the first time in history, a vaccine is protecting millions of human beings from paralytic polio. While the Salk vaccine will not work in every case, American children are being safeguarded against the dread disease, with no more risk than they would take in a vaccination against smallpox or a typhoid shot. The Salk vaccine must pass elaborate tests under the watchful eye of a government inspector at every stage of production. Then the final packaged vaccine is approved by the U.S. Public Health Service for distribution. Here are shown a few of the steps that assure American parents their children are being given a safe vaccine.

This technician is filtering dead cells and all other foreign matter from polio virus after it has grown on animal tissue in glass containers.

Virus is "cooked" in tank with formaldehyde (from bottle) until it is rendered harmless, after which it must pass exacting safety tests.

Animal tissue in tubes is inoculated with vaccine and let stand. If any live virus remains, it will multiply here, hence can be detected.

This expert is examining tissue after contact with vaccine, to determine absence of live virus.

It's all over and it didn't hurt a bit! Salk vaccine makes this little girl safer now from paralytic polio. And her parents feel better too!

A MILLIONAIRE VACATION ON A PIGGY BANK BUDGET  
 TAKE A HAPPINESS TOUR AND WIN A FREE TRIP AROUND THE WORLD FOR 2

**Important thought to keep in mind:**

There's no need to worry about stalling in hot-weather traffic; no need to worry about balky hot-engine starting! Just fill up at your Gulf station with New Super-Refined Gulf NO-NOX—the gasoline that's made with evaporation control to prevent vapor-lock. And always protect your engine with New Gulfpride H.D. Select, the motor oil that controls carbon.

**New Gulf No-Nox Gasoline** delivers not just the highest octane but

**full working octane**

because it's super-refined to burn clean

See what a difference Gulf super-refining makes. Gulf takes out the "dirty-burning tail-end" of gasoline—at the refinery—to bring you new clean-burning Gulf NO-NOX.

- more complete engine protection
- extra gas mileage in short-trip, stop-and-go driving
- freedom from vapor-lock, engine stumbling and stalling
- no knock, no pre-ignition—even in today's high-compression engines

Now! For the ultimate in working octane performance, always use Gulf's super-refined gas-oil team...New Gulf NoNox Gasoline and

**New Gulfpride H.D. Select Motor Oil**

- Assures lower oil consumption
  - Provides the toughest protective film ever developed in a motor oil
- Available in 3 grades—SAE 10W, SAE 20/20W, SAE 30.
