MIKE AND IKE ARE HERE!

COME SEE 'EM!

MIKE and IKE, a pair of live pigs, have started their growing race right in our store. MIKE gets Purina and grain, but IKE gets no Purina. See 'em now, visit 'em often. Watch MIKE pull away from IKE. See how quickly and cheaply he makes a pound of gain... and on such a small amount of feed!

We know what MIKE will do, because we know what Purina will do. But we want you to see it with your own eyes. Come in today.

PEACE OF MIND
Can't Be Measured In Dollars

No doubt you carry automobile insurance, fire insurance and, perhaps, accident insurance. But are you aware that there is another hazard in daily life which is not covered by any of these policies? It is your constant exposure to damage claims resulting from accidents in which someone is injured on your premises or accidents involving bodily injury or property damage caused by your personal acts or the acts of your wife, children, servants and pets.

Everyone who owns or rents a home or apartment, has children, employs domestic servants or engages in sports has a real need for the protection afforded by a Comprehensive Personal Liability Policy. The cost (only \$10 per year) is so little that no responsible person can afford to be without this coverage.

We will appreciate an opportunity to explain how this policy can give you peace of mind as well as protection against claims for personal injury or property damage.

Cordially yours,
CITIZENS BANK and TRUST CO.

Konnaheeta Club Committees Told;

Mrs. Ben E. Warner of Murphy and Mrs. Clyde McNabb of Suit, both outstanding in the field of crafts were guest speakers at the initial fall dinner meeting of the Konnaheeta club held Thursday at the Nantahala Inn.

Other guests were Mrs. Ellen Tjersland, Mrs. Lucile Boyden and Mrs. Cedric Miller of Fontana Village, Miss Mabel Spooner of Miami, Fla., and Miss Polly Hicks. The guest speakers were introduced by Miss Phyllis Snyder.

Mrs. Warner gave detailed information on metal crafts, including copper, pewter and aluminum. She also gave highlights of her early interest in crafts from the standpoint of a hobby, as a therapy and as a source of income. She closed her talk with "The Craftsman's Creed."

Mrs. McNabb spoke on "weaving." Both Mrs. Warner and Mrs. McNabb, by way of illustrating their crafts, had a large group of handmade articles in metal craft, weaving and wood carving on display.

In a business meeting preceding the program, Mrs. D. E. Pullum, president appointed the following committee to serve with the recreation committee of the PTA: Mrs. Margaret C. Watry, Mrs. S. J. Gernert, Mrs. Richard Conley and Mrs. Galusha Pullum.

Committees for the year are: communications, Mrs. A. E. Chandler, Sr. Mrs. Joe Sursavage and Mrs. Charles Delaney; public affairs, Mrs. John Rodda, chrm., Mrs. Gerald Almond, co-chrm., Mrs. W. A. Reece, Mrs. W. T. Teas and Mrs. H. H. Enloe; fine

arts literature, Mrs. Olen Stratton, chrm., Mrs. R. A. Dewar, co-chrm., Miss Phyllis Snyder and Mrs. Mabel Rayburn; music Mrs. Robert Heaton, chrm., Mrs. Edwin Bristol co-chrm., Mrs. Frank Ledford and Mrs. James Ibberson; art, Mrs. Arthur Watkins, chrm., Miss Ada Mae Puetz, co-chrm.

Also home, Mrs. F. E. Bialock, chrm., Mrs. James Hornbuckle, co-chrm., Mrs. S. J. Gernert, Miss Gladys Christy, Mrs. C. O. Frazier and Mrs. C. G. Harrill, Welfare, Mrs. Edgar Wood, chrm., Mrs. Amos Harris, co-chrm., Mrs. Chas. Zimmerman, Mrs. James Harris and Mrs. W. W. Ashe.

Education, Miss Jean Christy, chrm., Mrs. Lenna Ford, co-chrm., Mrs. O. A. Reschke, Mrs. Louise Rogers and Mrs. Bruce Bristol.

Students Visit Homes On Study

In their study of housing the third year home economics students at Hiwassee Dam High School last week visited six homes.

At the Dean Simpson home they saw picture window, cafe curtains metal awnings and especially liked the color scheme of the kitchen.

At the Graves home they saw another picture window and use of six rooms where there were only three. At the Hobart Picklesimer home the points of main interest were good furniture arrangement, background colors, bathroom space built in storage space in the kitchen and another picture window.

At the Harry Bagley home the group saw the first basement, pine panelling and unusual built-in storage in the kitchen, papered bedroom walls and an entrance hall and hall closet.

The outside appearance of the Jones home was especially liked by the group.

At the Pat Tinker house the group found the cracks and nails covered with sheetrock filler and decided the finished effect looked like plaster or cement. Here they found doors made of mahogany, an entrance hall, hall closet, marble window sills, a utility room, crank type windows, a carport, two doors and fluorescent lighting in the bath room and an L-shaped shaped kitchen.

They made the trip on the activity bus.

PEGGY I WISH I'D GOTTEN A DUMP TRUCK INSTEAD OF THE CONVERTIBLE!

YOU KNOW—THE KIND THAT HAULS AND DUMPS SAND.

THIS DON'T HAUL AND DUMP NOTHING—

—KEPT GIRLS!

THERE HE IS—

MERVIN—

CAN WE GO FOR A RIDE?

1. We'd like to show you some of the things that make the Ford one of America's finest cars... though it's one of the lowest-priced. Let's start with these long, low lines. Looks like it hates to stand still, doesn't it?

Let's take a walk around the NEW '56 FORD!

2. Here, on your left, is the inspiration for the styling of the '56 Ford—the famous Ford Thunderbird. Look at those broad, flat hoods, for example. Here is styling that will stay in style.

3. Here's what you ride on. This frame has five cross-members including a special K-bar member up front. It can really take it! By the way, the control arms of Ford's Ball-Joint Front Suspension are angle-mounted to cushion out the head-on as well as the up-down shock of bumps.

4. The new 202-h.p. Thunderbird Y-5 will give you a new lease on driving enjoyment. It's available in Fordomatic Fairlane and Station Wagon models. You can have the "GO"-packed 176-h.p. Y-5 in Fordomatic Mainline and Customline models, or Ford's new 137-h.p. Six is available in any model.

5. Note the deep-center design of this new Lifeguard steering wheel. The wheel rim is over three inches above the post to help cushion the driver in case of an accident. It's a feature of new Lifeguard Design which Ford spent over two years developing... to give you added protection in case of an accident.

6. This Lifeguard cushioning for instrument panel and sun visors is optional. It gives you extra protection when thrown forward in an accident. You may also have optional seat belts to help keep occupants securely in seats.

7. Here's Ford's new Lifeguard door latch. It is another member of Ford's new Lifeguard family. A double-grip locking engagement reduces the chance of doors springing open under unusual strain of impact. Chances of serious injury in accidents are less when passengers remain in the car.

Well, that covers the important points. But there's a lot more. So we'd like to invite you to come in and see the new '56 Ford for yourself. Then you'll see the colorful new exteriors and interiors, the quality workmanship that is evident everywhere. Then you'll learn the full story. When you do, you'll know that Ford is the fine car at half the fine car price.
