

# Learn New Facts About The ELECTRIC LAUNDRY

... Come To The

## Electric Laundry School!

- WHERE . . . . . Home Demonstration Building  
Murphy High School
- WHEN . . . . . October 1st 1:30 P. M.

Yes this is your chance to learn new facts about the all electric laundry . new and better ways to use it . . . new ideas about washing and drying all kind of fabrics.

For example, you'll learn how to care for today's miracle fabrics such as orlon nylon, dacron and dynel, how to whiten yellowed nylons, how to save money on children's clothes by owning an electric dryer, and many other interesting facts.

The demonstration will be conducted by a T. V. A. home economist from Knoxville. There's absolutely no charge for attending . . . it's all free.

**PRIZES:** And by attending this informative demonstration of electric laundry equipment, you'll get your chance on an electrical gift to be given away free.

Make your plans to be on hand at the electric laundry school!

### DR. KING DISCUSSES AFRICA AT KONNAHEETA CLUB MEETING

The story of the Belgian Congo, Africa, as a mission field, from the early labors of David Livingstone in establishing missions where the African slave trade flourished at Zanzibar was brought up to date at the meeting of the Konnaheeta club on Thursday evening at the Nantahala Inn by Dr. Robert R. King of Murphy, district health director.

Dr. King was former Presbyterian medical missionary to the Belgian Congo.

Dr. King was assisted by Mrs. King in presenting colored slides of different localities, modes of transportation, churches, natives in colorful dances as featured in King Solomon's Mines and called attention to the remarkable similarity between the plant and animal life of Africa and America. Of special interest at this time were the scenes of the Suez Canal.

Dr. King was introduced by L. B. Nichols. Mrs. Amos Harris chairman of the International Affairs committee opened the program

with devotions. Mrs. Ruth S. Pullum, president made a brief talk on the objectives for the year as being two-fold, the District Memorial Hospital and proposed Andrews Community Center.

New members included Mrs. Harry Shaw, Mrs. Frank Maennie, Mrs. John Ruffy, Misses Louise Brendle, Elizabeth Whitson, and Edith Willis. Guests other than Dr. and Mrs. King and Mr. Nichols were Mrs. E. A. Wood, Mrs. V. Tolds Gobins, Miss Gladys Christy and Miss Peggy Hill.

Mrs. Pullum announced the district meeting to be held next month in Franklin and the following committees: American home; Mrs. S. J. Gernert, Mrs. James Harris, Mrs. C. C. Harril, Mrs. Charles Frazier and Mrs. L. O. Caldwell; communications: Mrs. A. B. Chandler, Sr., Mrs. Joe Sur-savage and Miss Elizabeth Whitson; community affairs: Mrs. Olen Stratton, Mrs. A. B. Chandler, Jr., Mrs. W. W. Ashe, Mrs. Edwin Bristol, Mrs. Gordon Butler, Miss Frances Cover, Mrs. Louise Zimmerman, Mrs. Charles Delaney and Mrs. John Slagle.

### Mill Picnic Honors Employees

The annual picnic, sponsored by the Berkshire Knitting Mills for employees and their families was held Saturday in the outdoor picnic and recreation area adjacent to the plant. Approximately 400 attended, Mr. S. J. Gernert, plant superintendent, stated.

Joe Mintz was master of ceremonies of the all day affair which began at 10 a. m. with games for all ages, including tiny tots and continued into the late afternoon.

Pot luck dinner was served at noon. A highlight of the day is activities was the presentation of awards in the various games.

In the championship soft ball game the Machinists Mustangs defeated the A shift Hornets.

Others on the committee on arrangements were: Ernest Gibson, Giles Bryson, Hester Walker, Jack Ledford, Mary Owenby, Harry Neal, Helen Anderson, Annie Ensley, Wanda Day, Mary B. Rogers, Bobbie Deaton, Louise Stanley, and Beth Wishon.

## New Headquarters for

## the 'Jeep' family of 4-wheel drive vehicles

All-new 4-wheel drive Universal 'Jeep'

We are proud to announce the appointment of another dealer for the famous 4-wheel drive Universal 'Jeep' and other members of the 'Jeep' family of 4-wheel drive vehicles.

The extra stamina built into these vehicles assures superior performance on or off the road. They travel on the highway in conventional 2-wheel drive, but they shift easily into 4-wheel drive to go through mud, sand, snow or soft earth where ordinary vehicles can't go. With power take-off they operate a wide variety of equipment for farm or industry.

We invite you to drop in soon and get the facts on how 'Jeep' 4-wheel drive vehicles can save time and money for you.
