

# ALL LEGAL NOTICES

## NOTICE

Cherokee County  
NORTH CAROLINA

The undersigned, having qualified at Administratrix of the Estate of Ray R. McDonald, Deceased late of Cherokee County, this is to notify all persons having claims against said estate to present them to the undersigned on or before the 19th of Feb., 1958, or this notice will be pleaded in bar of their recovery. All persons indebted to said estate will please make im-

mediate payment to the undersigned. This the 19th day of February, 1957.

Grace McDonald  
Administratrix

## ADVERTISING FOR BIDS

Sealed Proposals will be received by the Clay County Board of Education at the office of the County Superintendent of Schools, County Courthouse, Hayesville, N. C. until 3:00 p.m. Thursday, March 28, 1957, for furnishing all mater-

ials and labor for construction of a new Gymnasium located at Hayesville, N. C.

All bids will be publicly opened and read at the time stated and proposals received after the hour and date specified will not be considered.

Separate bids will be received on General Contract, Plumbing Contract, Heating Contract and Electrical Contract.

Plans and specifications will be placed on file at the A. G. C., F. W. Dodge, or the builders exchanges in Charlotte, N. C., Columbia, S. C., Greenville, S. C., Atlanta, Ga., and Greensboro, N. C., or may be obtained from the office of Gilmer Harrill, Architect-Engineer, Box 356, Andrews, North Carolina upon deposit of \$40.00 as security. All plans deposits will be refunded in full to all Prime Contractors, all sub-contractors, and all material suppliers provided bona fide bids are submitted for any part of the work. Plans deposit will be returned provided plans are returned to the Architect in good condition within ten days after bids are received.

No proposals will be considered from contractors who do not hold proper state licenses governing their respective trades. All proposals shall be accompanied by a deposit of cash, a certified check on a bank or trust company insured by the D. I. C., or an acceptable bid bond executed by a corporate surety, licensed under the laws of the state of North Carolina, in the

amount of five (5%) percent of the bid. The cash, check or bid bond shall be submitted conditioned upon the furnishing of proper performance bond for the work and the execution of the contract by the successful bidder within ten (10) days after the award of the contract. In the event the successful bidder can not furnish proper performance bond or does not execute the contract within the specified time the bid depositor bid bond will be considered forfeited to the owner as a measure of damages. In the event that the surety does not forthwith make payment where bid bonds are used the surety will, in accordance with state requirements, be obligated to pay the owner an amount equal to double the amount of the surety bond.

Performance bond will be required for the 100% of the contract amount. Bids may be withdrawn up to the scheduled closing time.

The owner reserves the right to reject any or all bids and to waive informalities.

The Board of Education of Clay County  
Hugh Scott Beal, Secretary. 33-2tc

Hogs grown on more than three million farms in the United States provide an outlet for 40 per cent or more of our crop and produce about the same proportion of our red meat.

Series E Savings bonds are 15 years old this year. The E bond is the most popular teenager of all time.

## How come the new Ford rides so smooth and solid?

It's the new **inner Ford** that gives you a big-car ride at low Ford prices

- More weight and length**  
Head for the roughest road in the new kind of Ford. Notice how the biggest bumps lose their "thump"! One reason is that this biggest, longest, heaviest Ford has the extra "beef" to give a smooth, road-hugging ride.
- Better balance**  
One of Ford's nicest back-road habits is to make believe the rough spots aren't there. Proper weight distribution and precise balancing let Ford iron out bumps for better than many of the higher-priced cars.
- New automatic variable-rate rear springs**  
Going from a highway to a byway in a Ford, is like going from satin to silk. New design allows Ford's rear springs to "soften" or "stiffen" depending on road conditions. You get a smooth ride all the way!
- New swept-back Ball-Joint front suspension**  
Ford's new, stronger front suspension is designed to soak up the shock of rough roads. The new swept-back design lets wheels "roll" with the bump and absorb it going away . . . for far smoother, steadier sailing.
- New lower-pressure tires**  
Even Ford's tires are now for a better ride! Although they require less air pressure, they hold about 17% more air for cushioning the car. This means a softer ride—without sacrifice of Ford's good handling characteristics.
- More comfortable seating**  
There's no sag when you sit in a Ford . . . even on long trips. Comfort-colored seats, rigidly anchored, have advanced springing for greater comfort and longer life.
- More body insulation**  
Ford has more body insulation—protection against weather, dust, and noise—than any car in the low-price field. You ride through city traffic in library-like quiet.
- No metal-to-metal chassis contact**  
Only Ford's chassis uses 20 contact absorber body mounts . . . more than any other car. It all adds up to a smoother, quieter ride.

Try the new kind of ride in the new kind of **FORD**
