## Murphy-Andrews Clash Friday In Opener

### Andrews Wildcats Ready To Go Against Murphy

ANDREWS — The Wildcats of Andrews High were pouring on the steam this week in preparation for their opener Friday night with the Murphy Bulldogs.

Andrews will be host team to the Murphy eleven at Andrews.

Coach Frank Maennle says the Wildcats will have a "good tough line" and there will be plenty of experience in the forward wall.

Giving an outlook for the coming season, the Andrews mentor said: "We'll be alright this year. Nobody is going to run away with us."

The Wildcats line will average out at 175 pounds while backs will push the 140 mark average.

Big things are expected this year from "the Postell boys." Coach Maennle said he is counting on Olin Postell, left half back and a senior, and Terry Postell, right half back and a junior. They are brothers.

Thirty-five are wearing the Wildcats Red and Black this year and the probable starting line-up for Friday night's contest was given as follows:

Archie Myers, le; Steve Higdon, lt; Pete Gernert or Scotty Hardin, lg; Junior Griggs, c; Joe Jones, rg; James Franklin, rt; Gerald Curtis, re; Pete Nichols or Sunny Bush, qb; Olin Postell, lhb; Terry Postell, rhb, and Hubert Myers, fb.

Andrews finished its season last year with seven wins, two losses and one tie. Murphy in the opener last year handed the Wildcats a 7-6 defeat but Andrews bounced back and took a 6-0 win over the Bulldogs on the Wildcats home grounds as the season closed.

Probably one of the lightest men in the line will be Junior Griggs, a sophomore. He tips the scales at 147 but in the words of Coach Maennle: "He gives you 147 pounds when he is called on . . . never does it half way."

The coach had high praise for Joe Jones, a center last year but switched to a guard position this season. He was described as a good blocker and very aggressive. Jones, a senior, weighs 175.

### Murphy Bulldogs To Throw Crack Team At Andrews

Although graduation took eight regulars from his line-up Murphy High School Coach R. W. "Chuck" McConnell has high hopes for a good season for the Bulldogs.

Murphy opens its football season Friday night when the Bulldogs invade Andrews on the latter's grid-iron.

Coach McConnell says he has some "pretty good boys and we are going to play some pretty good ball games". Forty-two players have been working out under the hot August and September sun and among those are several with plenty of experience.

Back in Murphy colors again this year are: On offense—Carroll Ledford and Bobby Hendrix, guards; Carson Rogers, Don Amos Carl Radford, R. G. Hembree, Eugene Palmer, tackles; Jim Hendrix, T. J. Logan, Billy Lovingood, ends; Johnny Mulkey, center; Burt Birchfield and John Morris, backs.

Defense: Bobby Morris, Buck Hill, Tommy Moore, Frank Beaver, Manuel McDonald and Jimmy Massey, backs.

Left Halfback John Morris will be the big gun for the Bulldogs. The 150-pounder is fast on his feet, a good pass receiver and a good defensive player, Coach McConnell said.

Murphy's line the coming year will average about 164 pounds while average weight of the backs will run about 150 pounds. The Bulldog's heaviest man on the first team is Don Amos, 195-pound right tackle.

Mentor McConnell is pleased to have Fred Carter back in action this season. Carter was sidelined last year with a broken arm. He
