## Miss Sarah Jean Lunsford Weds Jerry Bumgarner In Henderson

Miss Sarah Jean Lunsford, daughter of Mr. and Mrs. George W. Lunsford of Andrews, and Jerry Lynn Bumgarner son of Mr. and Mrs. C. M. Bumgarner of Kannapolis, N. C., were married last Thursday in the chapel of First Baptist Church in Henderson.

The Rev. J. David Fite of Wake Forest, a classmate of the bride, officiated.

The chapel was decorated with magnolia, pine and other greens. Standard wrought iron candelabra filled with burning cathedral candles were placed at intervals among the greens.

A short program of pre-nuptial music was rendered by Mrs. J. David Fite, also classmate of the bride. During the ceremony she softly played "At Dawning". The traditional wedding marches were used for the processional and recessional of the wedding party.

The bride entered the chapel with Dr. William W. Leathers, Jr., pastor of the First Baptist Church. She wore a waltz-length gown of white pead de soie and Chantilly lace, designed along princess lines. The empire bodice of lace terminated in the back with a soft bow of peau de soie which fell gracefully to the hemline. Her only adornment was a single string of pearls, gift of the groom.

Her shoulder length veil of illusion was attached to a small head-dress of pearls. Her bouquet was of gardenia and snowdrift tied with loops of bridal satin ribbon covering a white Bible, a gift of the Woman's Missionary Union of the church.

Mrs. E. F. Lininston of Laurinburg, sister of the bride, wore a street length dress of pale blue silk and small white hat. Her corsage was a purple orchid.

Mrs. Bumgarner is a graduate of Mercer University, Macon, Ga. She taught mathematics in Griffin High School, Griffin, Ga., and Needham High School in Raleigh. At present, she is Minister of Education at the First Baptist Church in Henderson.

Mr. Bumgarner is a graduate of Kannapolis High School. He has been associated with the Ball

"THEY'RE CATCHING ON, BUT THEY CAN'T CATCH UP." That's how lots of people feel about the "new 1958" cars that are trying to match the Dodge Swept-Wing look. These other cars have been lowered some, but still seem high and boxy by comparison. A few are "catching on" to fins, but they're years from

"catching up." And the air suspension offered by some cars (at well over \$100 extra) can't compare with the sway-free, dip-free ride of Dodge Torsion-Aire (standard equipment on all models). So on your way home from someone else's new car showing, stop in and compare it with Swept-Wing '58 by Dodge. You'll see what we mean.
