Soil Bank Payments Nearly Completed

Of the nearly \$18 million earned by North Carolina farmers by their participation in the 1957 Soil Bank program \$16,257,751 has already been paid out through local ASC offices, according to Tilman R. Walker, chairman of the ASC state committee.

The 1957 Soil Bank program consisted of two parts, the Soil Bank Acreage Reserve and the Soil Bank Conservation Reserve. Under the acreage reserve phase, which serves to reduce plantings of "basic" crops, payments were earned in 1957 totaling \$17,200,000. Of that amount all but \$1,143,000 is now in the hands of participating farmers.

Walker explained that the conservation reserve part of the program deals not with allotment crops, but with other cash crops. The conservation reserve serves to reduce plantings of these "other cash crops" and also requires proper conservation of the land taken out of production. Under the 1957 conservation reserve program,

CAT'S CORNER

at Andrews High School

By JANNETTE CARRINGER

The Andrews High Latin and Beta Clubs had planned to unite their efforts Halloween night in a Trick or Treat drive to raise funds for UNICEF, the United Nations Children's Fund. Unfortunately, many members of both clubs took a bow to the flu-bug and these plans were cancelled. This week, however, the clubs are carrying out their work by organizing a campaign to raise funds within AHS. A representative has been appointed in each home-room and so far the results have been very satisfactory.

In connection with this drive the clubs invited Mrs. Carl West to attend assembly last week. Mrs. West showed her slides on the U. N. and told us of her visit there last spring. Bob Slagle, Latin Club president, and Katherine Sursavage, Beta Club president, then explained the very worthwhile work done by UNICEF.

The Andrews Wildcats closed their 1957 season Friday night with a landslide victory over Franklin, whom they defeated 37-0. Touchdowns were scored by Terry Postell, George Bush, Archie Myers, Hubert Myers, Harold Murphy, with Hubert Myers adding the extra point. Our congratulations to the 'Cats and to Coach Frank Maennle for a great season!

Plans are now in progress for the annual Junior Play. A comedy, entitled "Hillbilly Wedding", has been chosen for presentation by the class. The class will be directed in their work by Mr. Wood, with the aid of Junior Class sponsors, Mrs. Sursavage and Miss Whitson.

"HATS OFF" Hats off to the Girls Monogram Club and their committees for the great work on the Homecoming and the Homecoming party. A great big thanks to all including the faculty for their cooperation in excusing the students from classes. Working on the float along with

Miss Hamilton were Lynn Battle, Katherine Sursavage, Gail Anderson, and Doris Rogers.

Chairmen of the committees were as following: Madge Barton and Sandra Phillips, Decorating; Janice Hogsed and Ruthie Almond, Food; Vicki Derreberry and Sue Nichols, Entertainment; Katherine Sursavage, Clean-up; those on the committees were as following: Jeannette Carringer, Gerald Curtis, Carolyn Evans, Joyce Deaton, Melva West, Suzie Cole, Mattie Angel, Ray Dailey, Carole Ryer, Terry and Olin Postell, Steve Higdon and Pete Gernert. Our thanks to Mrs. Sursavage for her time and help to the Decorating committee.

The students of Andrews High School wish to express their deepest sympathy to Mr. Wood in the great loss of his father Rev. J. J. Wood.

Junior Bulldogs Defeat Clay County 30-12

The Murphy Junior Bulldogs defeated the Clay County Black-jackets for the second time this season with a 30-12 victory Saturday.

The Murphy Midget Football Team also won 10-6, against the Clay County Midgets.

Both teams will play Andrews Little League teams this Saturday at 10 a. m. at Andrews.

Players responsible for points on the Midget team were Jerry Decker, Mike Jordan, Thumper Palmer, Jim Jordan, Gene Chance and Lamar Haggard.
