

# CONTEST

## RULES AND INSTRUCTIONS

Everyone is eligible to compete in the contest except employees of The Cherokee Scout and members of their families.

Just read the advertisements on this page. A game will be found in each ad. Circle with a pencil your choice of the winner of each game. (It is not necessary to guess the score of the different games in the ads, only the winning team).

However, do not fail to guess the score of the game listed below marked "Tie-breaker". This will be used in determining winners only in case of an unbreakable tie.

Winners will be based on the entries having the most winners picked. Contest judges will be members of the staff of The Scout.

Print your name and address in the space provided below and bring or mail your entry to the office of The Scout.

Entries must be in by noon Saturday following publication day. Mailed entries must be postmarked not later than midnight Friday.

Winners will be announced in the following week's edition of the paper. Sorry, but we will not be able to answer inquiries about individual entries.

Enter as many times as you like, but entries must be made on separate newspaper pages. All entries become the property of The Scout and the newspaper reserves the right to discontinue the contest at any time and without notice.

Don't forget to put your name and address on your entry.
