

REFUGEE SHELTER and sorting-out center for casualties in the McNeese College gym at Lake Charles, La., was crowded by homeless Hurricane Audrey survivors from the Cameron area. The disaster caused at least 518 deaths, but the toll would have been much higher were it not for heroic action by doctors in the disaster zone, and a 200-bed civil defense emergency hospital set up on the spot in isolated, sparsely settled Creole, La. New Red Cross First Aid Book Now Available

The first completely new Red Cross First Aid Textbook in 12 years has just been published and now is being distributed to the organization's 3,700 chapters. A. W. Cantwell, national director of Red Cross Safety Services, has announced.

Primarily designed for use in classes taught by American Red Cross instructors throughout the world, the book provides a ready reference for use in common emergencies arising out of everyday living.

It incorporates all of the latest first aid techniques, including the much publicized artificial respiration method for infants called "mouth-to-mouth" breathing.

Copies of the First Aid Textbook are available at Red Cross chapter offices and can be obtained for the cost of publication and distribution—75 cents for paperback copies and one dollar for the clothbound.

Mr. Cantwell said Red Cross instructors will begin using the book in their classes just as soon as sufficient copies for students are on hand.

Use of the new textbook will result in shortening the standard first aid course from 20 to 10 hours. But the advanced course now is increased from 10 hours to 16.

The 240-page volume is liberally illustrated with photographs, drawings and colored plates.

names, will be present in formal ceremonies by State Dept. Commander Dr. J. Philip Malone of Gastonia.

F. O. Christopher of Murphy is commander of the local post, J. G. Greene of Murphy, vice-commander; W. D. Whitaker of Andrews, first vice-president; John C. O'Dell of Murphy, adjutant, and Rev. Fred Stiles of Murphy, chaplain.

Sherrill conducted a driver education class to train for bus drivers. He will be here again next Friday to give road instruction to some of the prospective drivers

North Carolina's student bus drivers have a wonderful safety record. The Murphy drivers are a credit to their school and their community.

'SPUTNIK' AT MHS

Although Sputnik and "Muttnik" are far out in space, they are a frequent topic of discussion at Murphy High. In the science classes there are discussions from a technical standpoint. In civic and history classes the political propaganda aspects are brought to the front. In English classes they are topics for compositions. But in the halls the satellites stimulate many jokes and much banter.

RELIGIOUS PROGRAMS

Last Tuesday the Rev. Cranfill Brown, who was speaking at the revival services at the First Baptist Church spoke to the student body in a religious service. Mr. Carl Perry led the singing, and as a solo, sang a Negro spiritual. Rev. J. Alton Morris introduced his guests.

This Tuesday, the Rev. Potter brought the Rev. S. L. Bennet of Montreat to speak to us.

Our ministers are always welcomed guests and we appreciate these programs very much.

Murphy Barracks Awarded Charter

Murphy Barracks 905, World War 1 Veterans, has been granted a charter and official presentation will be made here in December. The charter, containing 152

PUNKIN' PIE in new dream version

Take old fashioned pumpkin pie with its cinnamon-y, sugar 'n spice pumpkin taste. Then give it a new soft, smooth lightness, a dreamy melt-in-the-mouth delicacy and what you come up with is this Apple-Kin Pie.

And what gives this delicate lightness and smoothness? Ready-prepared apple sauce! The kind you can get in cans or jars at any grocery store. Blended through the pumpkin mixture, it works a sheer magic of flavor and lightness.

In making the pie, use pumpkin you cook yourself or canned pumpkin. Either will be successful. Sometimes serve the pie unadorned just as it comes from the oven. Other times offer it with a party-like garnish of whipped cream and candies. But plain or fancy, it will always be spicily delicious, a pie you must be prepared to cut in largish pieces to meet eager waiting forks.

APPLE-KIN PIE

- 1 cup cooked pumpkin
- 1 cup canned apple sauce
- 1/2 cup light brown sugar
- 1/4 teaspoon salt
- 1 1/2 teaspoons cinnamon
- 1 teaspoon nutmeg
- 1/4 teaspoon ginger
- 1/2 teaspoon cloves
- 4 eggs
- 1/2 cup heavy cream
- 1/4 cup milk
- 1 9" unbaked pastry shell

Combine pumpkin, apple sauce, sugar, salt and spices. Beat eggs; add. Scald milk and cream; add slowly, mixing well. Pour into 9" pastry shell. Bake in hot oven, 425°F., 45-50 minutes, or until inserted knife comes out clean. Cool. Garnish with whipped cream and candies just before serving.

Murphy High went all out Friday night to make the 1957 Homecoming the best ever. All last week members of the Student Council worked like Trojans putting the finishing touches on under Mrs. Bault's excellent supervision. There were committee meetings during lunch and after school when six o'clock Friday afternoon rolled around the decorating committee had just put up the last "Welcome Alumni" banner. All the invitations had been sent out and hope received. All the refreshments were ready to be served. Everything was in order for the coronation ceremony.

Promptly at eight o'clock the football game got under way. The crowd was a little smaller than usual. The rain kept some away but it didn't dampen the spirits of the Murphy fans who were there. With Murphy leading 12-0 at the half-time, Supt. Holland McSwain crowned Linda English football queen. Linda and Jane Cook, maid of honor, wore black suits. The other attendants Betty Kate Wilson, Betty Postell, Ruth Bates and Wanda Dillingham, wore street-length coats. The crown bearer 3 year-old Janet English, was also dressed in black and gold. The coronation ceremony was somewhat different than those of past years. Some of the improvements, such as having attendants from each class, may be continued in further years.

After Murphy had defeated Hayesville 18-0, the alumni were in fine spirits for the reception. The host committee had people stationed in the various rooms to help the visitors feel more at home. All along the hall were placards showing the names of the valedictorians from 1929 to 1957. Seeing their particular class so represented seemed to make the alumni reminiscent. Many remarks such as, "Hey, this was my class. I remember him being valedictorian. So and so was salutatorian, and "what's his name" was president of the senior class. Do you remember that stunt we pulled on graduation night?", etc., were heard. The old grads marveled over the advantages we have that they didn't. Coffee, cookies and punch were served at the lunch counter. The old grads helped themselves as they renewed friendships with former classmates.

They were really proud of Murphy High School. No doubt they would like to see the alumni reception an annual affair.

THE FLU BUG

The flu bug is beginning to fly, but while it was here it cut attendance at Murphy High. About 180 per day were absent last week. Many of those who were present weren't in top condition. This pesty bug didn't stick to the student body altogether. It helped itself to the faculty too. Miss Travis was hospitalized most of last week. Mr. Palmer and Mrs. Meadows, also had flu and Mrs. Well's and Mrs. Ray's families had it. Mrs. C. L. Alverson, Mrs. Maureen Dunn, Mrs. Miriam Moore and Rev. Robert Potter substituted for them. We've been luckier than most schools though, we haven't had to close.

BUS DRIVERS

Some of the absences during the flu epidemic were caused by buses that did not run because their drivers were sick. There weren't any qualified substitutes to drive these buses.
