LETTER TO THE EDITOR

LETTER TO EDITOR
 Editor of The Cherokee Scout
 Murphy, North Carolina
 Dear Sir:
 Through your paper—THE CHEROKEE SCOUT—I wish to thank our local police force, the boy scouts and the State Highway Patrolmen especially Mr. Roe Heffner for the wonderful job they did in directing traffic for the WAGON - TRAIN.

To Mr. Holland McSwain and the many, many others who contributed unselfishly to the success of Murphy's biggest event in its history I want to say "Thank-You!"

Very cordially
 Martha Candler Lee

The Cherokee Scout
 Murphy, North Carolina

Dear Mr. Editor:
 I would like to take this opportunity to commend the wonderful work which was done by the people of the Town of Murphy and Cherokee County in sponsoring the wonderful event which I observed July 4th which has become known as the Wagon Train from Tellico Plains to Murphy, North Carolina. The untiring efforts put forth by the people in Murphy and Cherokee County, has brought an event to the far Western North Carolina section which I believe, has and will contribute more to the up building of the Tourist Industry in this section than any other single thing that could have taken place. All of North Carolina should be proud of the efforts put forth by the people who were responsible for the activities which was observed by thousands on July 4th. It is my sincere hope that the people of Cherokee County and the Town of Murphy, as well as your neighbors over in Tellico Plains, will see fit to continue this wonderful event from year to year and I am sure that you will witness a tremendous interest in the event and that the Wagon Train will come to be known growth in the interest in the event and that the Wagon Train will come to be known through out the nation as one of the most spectacular events of our time. We (Graham County) being your neighbor wish you the best of luck in promoting the future of this wonderful activity.

Yours truly,
 Leonard W. Lloyd
 State Representative,
 Graham County

(ED. NOTE: Following is a letter received by Roy Lovingood concerning the Wagon Train Celebration from J. Melville Brington Jr., Chairman of the State Highway Commission.)

Lovingood's
 Murphy, North Carolina
 Gentlemen:

Thank you very much for sending me news clipping dealing with statements by Mr. Ray Jenkins of Knoxville about the Wagon Train festivities and the importance of a highway from Tellico Plains to Murphy. This has been read with much interest and I have forwarded copies to man of the State Highway Commission.)

I regret exceedingly that it was not possible for me to be present for the festivities last weekend as I recall the splendid time had last year when I was privileged to be on hand. However, the unexpected death of Highway Commissioner E. L. White of Wilmington a few days prior to the 4th, plus restrictions due to a severe cough and cold, made it impossible for me to be present.

With appreciation and best wishes, I am
 Sincerely yours,
 J. Melville Brington Jr.,
 Chairman

Rollman Calls FCC Equal Time Decision Insane

Heinz Rollman, Waynesville industrialist, commented recently on the "equal time" decision handed down by the Federal Communications Commission (FCC) that would force radio and television stations to allot equal time to all candidates seeking elective office.

"If this grossly unfair decision of the FCC is allowed to stand", declared Rollman, "it will not be long before newspapers will also be forced to allot equal space to any and all candidates seeking public office. This would be synonymous with doing away with the free press in our country, or any free news media."

"The FCC decision stated that a radio or TV station if in its news broadcasts it reports about one candidate, for instance for one minute, or for that matter 100 times for one minute, all candidates seeking the same office can ask for the same amount of time". Rollman comments that obviously, to make this equal tie decision more interesting for viewers or listeners, the only alternative these free media have, when there is nothing worthwhile to say about a candidate is to repeat the candidate's name for 60 consecutive minutes, or whatever time he has to be given free.

"This, however," said Rollman, "is only the beginning of this monstrosity. When it comes to newspapers, it becomes even sillier"
