# Bullets -- No Bang Is it dangerous to have guns in arm accidents reported occurred in hores. These deaths could have

1934 in the Office of the Register of en the people in that home. Like Deeds for Cherokee County, North power tools, medicines, insecticing un was unloaded. des, and electrical appliances, firearms demand certain precautions. If they are followed, a gun is no more hazard than a fishing rod or tennis racket.

> The number one rule the big one whice can not be emphasized too much nor repeated too frequently is that any gun in the home must not be loaded. No unloaded gun is involved in a shooting accident, absolutely empty. Every gun should be unloaded bekept that way.

for example, 53 of the 97 fatal fire- ition.
