Christmas Bazaar Use Care In Selecting **Toys For Christmas** CHICAGO-Toys, toys, toys!

trees across the nation Dec. 25

will be all sorts of playthings -

round toys, hard toys, soft, cuddly

thought will be given to how safe

This, the National Safety Council

"Fortunately," it said, "most toy

manufacturers have done their best

to make their products safe for

youngs ers. But a toy perfectly

safe for an 8-year-old may be quite

The Council made these recom-

1. Teach children how to use the

2. Keep an eye out for possible

wear or damage - broken edges

3. Perhaps most important, buy

toys that suit the child's age.

points out, just isn't smart

unsuitable for a toddler.

or splinters, for example.

they are.

Christmas:

toys.

with round corners, push or pull Peeking from beneath Christmas toys, and large colored balls,

Beware of small toys that can te swallowed, flammable toys, and toys, noisy toys. But little if any toys with poisonous paint, sharp edges, button eyes that can pull lcose, removable parts,

Age 2 to 3. Tops for tots in this, the exploring age - sandbox toys, large peg boards, tricycles, low rocking horses, bright picture books, large crayons,

Beware, again, of sharp, rough edges on toys small removable parts, flammable toys, lead-based mendations about buying toys this paint, objects that can be swallowed.

> Age 3 to 4. Excellent are toy telephones, doll buggies and furniture, miniature garden tools, building blocks

Stov away from toys that break or splinter, those too heavy for the child's strength, sharp or cut-

ting toys. The Council gave these sugrestions on what toys to buy: For
