I use all these electric appliances

Range Water Heater  
Drier  
Washer  
Refrigerator  
Freezer  
Dishwasher  
Television

for less than 30¢ a day!

Isn't it amazing! For less than 30 cents a day — just about what you pay for a pack of cigarettes — I cook, heat water, launder my clothes, enjoy television and radio, wash and dry dishes, freeze and preserve foods. And light my home, of course.

"Electricity really is a bargain!" It certainly is! And you can enjoy the time and work-saving benefits of these same electric appliances at the same low cost.

The secret of so much electrical help for so little money is our "stairstep" rates. The more electricity you use, the less you pay for each kilowatt-hour.

Enjoy the full benefits of low cost electricity. It's by far your biggest bargain.
