lead in prayer and bring special ernment sanctioned, and in some dealer.

STOP! LOOK! LISTEN!

Don't be fooled by a small "STOP ROLLMAN"

group who in a secret meeting, without consult-

ing a single elected official of the Republican

party of Buncombe County or the 12th district

finally succeeded in filing a candidate for Con-

gress. They just made the DEADLINE by the

skin on their teeth or like when "Casey beat

Molly by the foam on his bits." They promised

to deliver the votes for their candidate in Bun-

combe, Henderson, and Haywood. I doubt that

they can deliver one single county in the 12th dis-

trict in the May 28th primary. I question their

loyalty to the Republican party and I am sure that

they do not have its best interest at heart. These

so called leaders to my knowledge have never done any work for the Republican party of Bun-

combe County or the 12th district. This has all

the EARMARKS of a Democratic trick. They are

scared and they are trying to use the Republicans

to defeat the Republicans-to make certain their

victory in the general election. Mr. Rollman, we

welcome you into the Republican party. We need you, you need us, and everyone in the 12th

For your information, I am not Mr. Rollman's campaign manager. I am not obligated to him

It is easier to burn the Murphy, has been named one of organic matter off than it is to 29 winners of George Foster Handisk it into the soil, but organic kins Scholarships at Wake Forest matter is the best soil condition-er available, and is just as imortant to good plant growth as Owenby was selected from afertilizer. Every stalk, root or mong 60 finalists who advanced tains little or no organic matter scholarships range in four-year and Mike Jordan as den chief.

> sorb large quantities of rain fall, gram was started in 1955 through map of North Carolina showing and will hold it for a much longer income from a one million dollar its products displayed. The map time without allowing the water estate left the college by Col. was prepared by members of Den to evaporate.

Not only does organic matter ton. hold water, but it will hold the the crops can use it. Soil without organic matter will allow much of feftilizer you apply to be leached out by rain water and carried off to the creeks and ventually to Hiwassee Lake. Now fertilizing a farm fish pond is a sound idea, but buying expensive fertilizer for your crops, and allowing it to fertilize Hiwassee Lake is not such a sound idea. Put organic matter in your soils and help keep your fertilizer at

### Social Security Offers **New Pamphlets**

Eleven pamphlets explaining e various phases of the Social curity Act ere available free charge to residents of Cherokee County, according to Grady Grubbs, field representative for this area

Any of these pamphlets can be obtained by simply writing the Asheville District Office, 40 North Asheville District Office, 40 North French Broad, giving pamphlet title, number, and your name and address. These pamphlets are a-mong the most popular printed by the Federal Government. Mr. Grubbs points out that the rapid growth of the Social Secur-ity program with its many rights

program, with its many rights benefits, makes it desirable that all working persons and their lependents keep informed. These amphiets, simply written and ilustrated, are lesigned to meet that need.
