UNTIL ACOUSTICON TOOK CARE OF MY HEARING STRAIN

I just didn't hear clearly, couldn't seem to understand some words. They sounded blurred, fuzzy. I had to strain to hear.

People thought I was deaf. But then Acousticon took care of my hearing strain. I was amazed at how clearly I could hear again—without strain or doubt! I haven't heard this well in years.

ROLLMAN WEALTHY?

"Well-off" maybe, but not a millionaire with oodles to throw away as the opposition charges:

Any farmer or businessman has a "wealth" like Rollman's. His money is in bricks, mortar, machines, lighting and other things necessary to operate a business. A farsighted farmer with a big chicken house and a large flock can understand this kind of "wealth."

HOW ABOUT THE MONEY ROLLMAN SPENT IN HIS LAST CAMPAIGN?

That's easy to answer. He did not try to "buy a seat in Congress, he simply told the truth about his campaign expenses. The same, unfortunately, cannot be said for all other candidates, can it? All the good newspapers in the state said editorially that it probably was the first time in N. C. history that a candidate really reported every last penny spent in a campaign and what the money was spent for. Is it wrong to tell the truth?

Rollman, for a fact, needs your contributions beginning June 1st for the general campaign; needs them if he is to let the people know, through advertising, how he stands on every issue. Any contribution will be welcomed and will be used wisely and for newspaper information only.

HEINZ ROLLMAN
