Area Men In Service

NEW ORLEANS, La. (AHTNC)—Army Pvt. James A. Murrin, 20, son of Mr. and Mrs. Troy B. Murrin, Route 2, Murphy, N. C., is participating in a LOTS (Long Overseas Training System) Log Division in Exercise Quick Strike being conducted by the 349th Transportation Battalion at Fort Aransas, Tex. The exercise is scheduled to end May 15.

During the exercise, tugboats, cargo barges and other types of sea-going vessels will be used to shuttle personnel and equipment from Port Aransas to a training area on Mustang Island located in the gulf beach area of Port Aransas.

The 27-year-old soldier attended Murphy High School.

Murrin is regularly stationed at Camp Leroy Johnson, La., as a stevedore in the 119th Transportation Company.

A 1958 graduate of Murphy High livery in U. S. history was carried School, he entered the Army in the Butterfield stage, which June 1958 and completed basic left Tipton, Mo. on Sept. 16, training at Fort Benning, Ga. 1958, bound for San Francisco.

FORT CAMPBELL, Ky. (AHTNC)—Army Specialist Five Billy C. Decker, son of Mr. and Mrs. Wade M. Decker, Murphy, N. C., recently participated with other personnel from the 101st Airborne Division in Exercise Quick Strike at Fort Campbell and Camp Breckinridge, Ky.

Quick Strike tested the divisions on the mark readiness as one of the major units of the Strategic Army Corps (STRAC).

Specialist Decker, a member of Company A of the division's 300th Infantry at Fort Campbell, Ky., entered the Army in 1952 and was last stationed at Fort Campbell.

The 27-year-old soldier attended Murphy High School.

OVERLAND MAIL

First great overland mail delivery in U. S. history was carried in the Butterfield stage, which June 1958 and completed basic left Tipton, Mo. on Sept. 16, training at Fort Benning, Ga. 1958, bound for San Francisco.

Follow Advice

Every paint can has a paragraph or two of directions printed on the outside. Before you even open the can, study these directions carefully. The manufacturer knows his product better than anyone else, so it's wise to follow his instructions. You may save time and expense by doing so.

Paint Tool Handle

Here's a clever idea you'll find helpful: paint the handles of all your garden tools the same bright color. You'll always be able to find them quickly, and the color provides a means of immediate identification—a factor much appreciated when you're being neighborly and loaning them out.

Recent Arrivals

DOCKERY

Harmony In Color

If your dining room opens directly from the living room and is plainly visible from it, color harmony within the two rooms is important. A good idea is to pick up one of the colors used in the living room as the predominating dining room color.

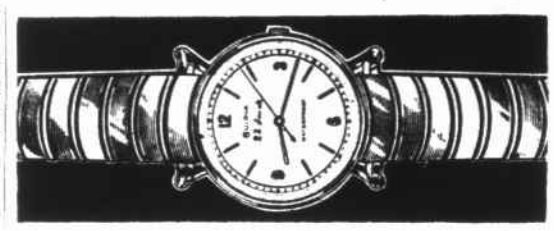

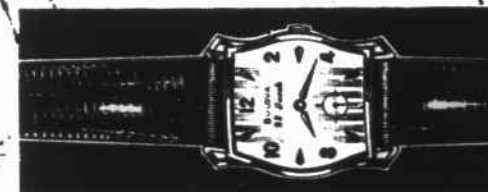

HOOD AND SPLASH PLATE SET

A new range hood—available in stainless steel or enamel on steel—features concealed blowers and a matching splash plate to protect the wall behind the range.

ECONOMY PROVED IN MOBILGAS RUN!

CORVAIR BY CHEVROLET DRIVE IT! GET OUR DEAL!!!!

A pair of Corvairs recently recorded 27.03 and 26.21 miles per gallon in the 2,061.4-mile Mobilgas Economy Run. That's certified proof that Corvair skimps on gas costs. It saves other ways, too. Corvair is the only U. S. compact car that never needs antifreeze or costly radiator repairs. Come in and drive the compact car that outdoes them all.

Things Corvair gives you that America's other compact cars can't:

Practically flat floor... real foot room for the man in the middle. Fold-down rear seat gives 17.6 cu. ft. of extra storage space. Four-wheel independent suspension for a smoother, flatter ride. Rear-engine traction... that comes with the engine's weight bearing down on the rear wheels. You probably realize already that the mileage figures Corvair recorded in the Mobil-

gas Run are higher than the average driver can expect. But because the cars met every kind of driving condition—rugged mountain grades, long country straightaways, congested city traffic—those mileage figures prove Corvair's inherent ability to save. Operating costs take a nose dive the day you take delivery of a Corvair.
