BOAST COMPLETE LAW LIBRARY, MOST MODERN EQUIPMENT

The Professional Building will open its doors to the public this Sunday, May 22, from 2 p.m. to 5 p.m. during open house. This will be an opportunity for many folks to visit Murphy's most modern office building. The Professional Building while incorporating modern construction and design techniques also can boast of one of the

most complete legal libraries to be found in W.N.C. in the office of McKeever and Edwards, Suite No. 2. The building can also lay claim to the use of the most modern equipment that money can buy. An example of this is the examining chair and instruments found in the office of Dr. Wm. R. Gossett, in Suite No. 3.

CONGRATULATIONS

Keeping Pace Electrically...

Murphy's most modern office building is all-electric. It features the newest designs in lighting, modern wiring and electric heating. One office suite utilizes the heat pump.

MURPHY'S MOST MODERN OFFICE BUILDING

... it's all-electric, naturally!

The modern business and professional man knows the necessity for maintaining modern offices. He knows that his employees work better and his customers are more at ease when the office surroundings are pleasant, when electricity is used to provide the comfort and convenience so vital to business success in this highly competitive age.

The Murphy Power Board is proud to have had the opportunity to help plan for electrical uses in our city's most modern office building. We helped plan the up-to-date wiring system, the ultra-modern lighting, and the electric heating installation.

We are sure that the occupants of this new office building will be more than satisfied. We congratulate them for KEEPING PACE . . . ELECTRICALLY!

FREE PLANNING SERVICE
Through a contract with TVA, the Murphy Power Board is able to offer you the services of electrical specialists to help you plan the electrical installations in your business, industry, home or on your farm. For the asking you can get assistance with plans for wiring, lighting, air conditioning, heating or any specialized application of electricity. This service is FREE for all our consumers. When you have an electrical problem, call or come by our office. This is another service to help you work and live better electrically.

CITIZENS BANK & TRUST COMPANY

Serving Southwestern North Carolina
W. FRANK FORSYTH
EXECUTIVE VICE PRESIDENT
Murphy, North Carolina
May 13, 1960

Dear Folks:
All of us at the Citizens Bank & Trust Company join with the other folks in this area in congratulating the owners on the completion of the fine new Professional Building in Murphy.

Dr. G. W. Dyer, Chiropractor; McKeever and Edwards, Attorneys; Dr. W. R. Gossett, Optometrist and Herman H. West Company, Clearing Contractor conceived the idea of this new building and now has made it into a reality. The foresight, planning and workmanship that has gone into this building makes it one of the outstanding structures of its kind in Western North Carolina.

We salute these forward looking people and wish them every happiness and success in the years to come.

Sincerely,
W. Frank Forsyth
Executive Vice President
