

Cheryl Size Celebrates Birthday

Cheryl Lynn Size celebrated her fourth birthday with a party June 20. The decorations were in pink and white and included cups, napkins and a tablecloth decorated with a girl in a pink dress. There was also a large cardboard girl in a pink net dress to cover the cake. The decorated cake was a surprise as it was uncovered.

The party was held in the yard at home where the guests played games. Those invited were Peggy Smart, Pamela Styles, Mary Ressel, Van Wilkens, and Coleman Breeland. The hostess also wore a pink dress.

Phil Mattox, Delegate To 44 4-H's Leave For Camp

At the regular meeting of Joe Miller Elkins Post 96, The American Legion, Phil Mattox of Murphy was elected a delegate to Boys State to be held at the Institute of Government, Chapel Hill, North Carolina. The session will begin Sunday, June 19 and will continue until June 25th.

Boys State is one of the Youth Activities of the American Legion, designed to build physical, mental and moral alertness in youth, and to cultivate in young American strong character, wholesome ideals and an appreciation of the heritage of freedom; and to develop devotion to civic responsibility in the nation's future citizens.

Upon their arrival at Boys State, each boy is assigned to a mythical political party and to a city and county. The citizens of each city and county nominate members of their individual parties to be candidates for the various city and county offices. Elections are held with the citizens conducting their own registration of voters and the actual balloting. Election boards serve at city, county and state elections, according to the laws of North Carolina.

In addition to the training program, many recreational activities are planned for the delegates, including visits to the State Capitol and other points of historical value. Phil is the son of Mr. and Mrs. H. A. Mattox of Murphy, and a rising senior in Murphy High School.

JUST FOR FUN: Next time you make a batch of yeast dough for sweet rolls, wrap strips of it around greased springless wooden clothespins; the edges of the dough just touch. The clothespins may be easily pulled out after baking and the rolls stuffed with savory sandwich fillings.

FAR WNC DISTRICT MANAGER

Leonard W. Lloyd is 37 years old. He is a native of Graham County and practiced law in Robbinsville since World War II. He is married to the former Berniece Adams of Cherokee County and they have two children. He attended Duke University, receiving his B. A. Degree from that school, and was graduated from Emory University Law School, receiving his LLB Degree. He was a Marine Paratrooper in World War II in the Pacific, and was severely wounded in the Battle of Iwo Jima. To The People Of Cherokee County:

Terry Sanford is the great hope of our far Western Counties. We in the Far West have in Terry Sanford a true friend, one who has a sincere interest in our section and its people. A person who has come to Cherokee County and the other Far Western Counties many times, not just during an election. He knows our highway needs, how we are cut off from other areas by poor roads, how much we need new roads so that we can open our wonderful mountain country. He saw first hand how bad our farm folks need markets for the many goods they grow. Terry pointed out while making his many visits to our area that our state should put forth greater effort to get industry into counties that really needed industrial development.

John Larkins and Malcome Seawell, along with Terry Sanford, endorsed the North Carolina Plan as the best system to keep our Public Schools open; only Dr. Lake seeks office by stirring up race hatred and bitterness. Dr. Lake would take a chance of closing our public schools in order to gain his political ambition. A campaign based on hate and bitterness in a world filled with hate has no place in a great state like North Carolina whose people have always commanded the respect of the country for their traditions and good government.

Let our mountain people unite behind a man who can and will help us with our many needs, a man who has put the future and welfare of our children ahead of all things by his educational improvement program.

Please help elect a man who has Far Western North Carolina at heart, Terry is counting on all of us and we can count on him.

I appeal to the people in Cherokee County and all the far Western North Carolina Counties to come out on Saturday, June 25th and vote for TERRY SANFORD.

Sincerely,
LEONARD W. LLOYD, District Manager
Sanford-for-Governor Committee
Cherokee, Clay, Graham, Jackson,
Macon and Swain Counties.

Man of the GO for the State on the GO!
