

Lutheran Church Women Meet

ANDREWS — The United Lutheran Church Women met Tuesday at 3 p.m. at the home of Betty Sue Best.

The devotional was given by Mrs. E. U. Burch.

Betty Sue Best presented the program, "Lutherans Behind The Iron Curtain." She stressed the

importance of freedom to worship as we please.

Mrs. Lynn Wood, President, presided over the business session.

Mrs. L. L. Love read the minutes of last meeting; a few minutes of last meeting.

Hostesses, Mrs. Lynn Wood and Betty Sue Best served refreshments to the members present.

The Bering Sea Between Alaska and Siberia is made to order for trawling fishing. Forty - two per cent of the Bering's 878,000 square miles is less than a hundred fathoms deep.

Methodist To Observe Youth Activities Week

The young people of the First Methodist Church will observe Youth Activities Week beginning Sunday night, June 26. The local group will join with the young people of Robbinsville in their observance.

The theme will be "Youth for Christ". The topic of discussion each night will be first, Sunday night, "Understanding Our Parents," with a panel composed of parents and youth. Monday night the theme for discussion will be "Choosing Our Friends," with Barbara Stanley and Dan Fortin leaders; Tuesday night, "Boy-Girl Relationship," Ernie Martin leader; Wednesday night the group will go swimming at Fontana

and have a weiner roast afterwards. The topic for Wednesday night will be "Christian Recreation."

Thursday night's topic will be "Christian Worship" and the meeting will conclude with the observance of the Lord's Supper led by Rev. C. W. Sartin. Friday night the group will go on a picnic to Wayah Bald. The topic discussion will be "Dedication of the Self" with Rev. D. P. Smotherman as leader.

The meeting will begin each evening at 7:00 p.m. All youth between the ages of 12-23 are invited to attend.

KENNY JANE DAVIS

DEBORAH ANDERSON

Deborah Anderson Winner In County 4-H Dress Revue

Miss Deborah Anderson, daughter of Mr. and Mrs. T. E. Anderson or Route 2, Murphy, was named county dress revue winner. Miss Kenny Jane Davis, daughter of Mr. and Mrs. Kenneth Davis of Murphy, was winner in the junior division. Deborah will represent Cherokee County in the district dress revue to be held in Asheville on June 30.

Others participating in the senior division were Joyce Waldrop and Brenda Quinn. Junior participants were: Marilyn Anderson, Judy Quinn, Carla Beth Stiles, Carol McRae, Frances Mintz, winners.

Glenda Little, and Mary Arden Davis.

The dress revue was held in the little auditorium of the primary building in Murphy. The stage was decorated with white and pink flowers.

Miss Freida Morgan, assistant home economics agent in Clay County, served as the judge. Miss Morgan praised the girls in their work and encouraged them to continue in their clothing projects.

The Fayola Remnant Shop and The Fabric Shop in Murphy gave prizes to the junior and senior winners.

your cost is low
...with low-cost electricity!

How low is your cost for electricity?
Use the information below to find the operating cost for the work-saving electric appliances on your "want-list." The first table tells approximately how much electricity an appliance will use in one month.

Electric Appliance	Kwh Used
Room Air Conditioner (for 5 months)....	300 kwh a month
Clothes Dryer (5 loads per week)....	80 kwh a month
Dishwasher with heating unit	45 kwh a month
Home Freezer 6 cubic feet.....	35 kwh a month
..... 12 cubic feet.....	60 kwh a month
..... 18 cubic feet.....	70 kwh a month
Ironer	10 kwh a month
Lighting	70 kwh a month
Range	150 kwh a month
Refrigerator	35 kwh a month
Television	30 kwh a month
Washer	5 kwh a month
Water Heater (for family of four)....	350 kwh a month
Water Pump deep well.....	20 kwh a month
..... shallow well.....	10 kwh a month
..... for farm use.....	.25 to 50 kwh a month

Here's how to figure your cost:

To figure the monthly cost of using any electric appliance you must know three things:

1. The number of kilowatt-hours that the appliance will use.
2. How much electricity costs.
3. The number of kilowatt-hours that you now use in one month.

From the table above, you found the number of kilowatt-hours that an appliance will use in one month. The chart on the right shows how much you pay for electricity. You can get the number of kilowatt-hours that you now use from an old bill. (This can also be estimated from the chart on the right.)

How to use this information...

Let's say you now use around 150 kwh a month. Your bill runs around \$3.50 a month. And you'd like to know how much it will cost to operate an electric range.

From the figures at the top of the page, you see that an electric range uses about 150 kwh a month. Add this to the number of kwh you now use. The new total is 300 kwh. From the chart on the right, you find that you'd pay \$5.50 for 300 kwh. That

means your bill would go up about \$2.00 a month—less than 7¢ a day — when you add an electric range. (If you now use more than 150 kwh a month, it would be even less!)

Notice that although the amount of electricity used exactly doubled, the size of the bill went up only \$2.00 — from \$3.50 to \$5.50.

That's the nice thing about our "stair-step" rates . . . as your use goes up . . . your average cost goes down!

HOW MUCH ELECTRIC BILL	
Residential Rates	
Kwh Used	Energy Charge
25.....	\$ 0.75
40.....	1.20
50.....	1.50
60.....	1.70
75.....	2.00
90.....	2.30
100.....	2.50
125.....	3.00
150.....	3.50
175.....	4.00
200.....	4.50
225.....	4.75
250.....	5.00
275.....	5.25
300.....	5.50
350.....	6.00
375.....	6.25
400.....	6.50
450.....	6.70
500.....	6.90
550.....	7.10
600.....	7.30
800.....	8.10
1000.....	8.90
1400.....	10.50
2000.....	15.00
