for that extra flick of flavor

JFG

SPECIAL COFFEE

'Most everywhere folks are noticing that there really is extra flavor in JFG Special Coffee. It's there because of a very special blend of select coffee beans. And also, because JFG is so fresh. You see, it's roasted practically next door, so it comes to you fresh as fresh can be.

So have a cup and you'll agree, there's extra flavor in JFG... "the best part of the meal."
