ELECTION RESULTS

The Community Committee Election was held September 8, 1960 in the six communities in Cherokee County to elect three Community Committeemen and two alternate Committeemen to serve in their respective communities for the 1960-61 program year. The people who were elected as Community Committeemen have some important duties to perform in assisting the County Committee in advising them on the different programs that the ASC administers at the county level.

It is the duty of the chairman of the Community Committee to attend the County Convention as a delegate to elect the County ASC Committee September 23. Hence there are six communities in the county, these six delegates will be electing your County Committee who has the responsibility of administering the farm programs that the ASC Office offers to farmers at the county level which are: The Sell Bank Program, The Marketing Quota Program, ACP Program, Price Support And Loan Program, and Wool Program.

The following farmers were elected in each community as Community Committeemen:
