Nantahala News Bee

The day of the Story Hour at Murphy Carnegie Library has been changed from Thursday to Friday. Children between the ages of 6-9 are invited to attend the Story Hour at the Library on every other Friday at 3:30 p.m.
The Regional Library's schedule of films is now being distributed monthly. Notices listing the title, a short description of each film and the period during which they will be available are mailed to civic clubs, churches, and other organizations. The film may be pre-viewed at the Murphy Carnegie Library on the Tuesday night after their arrival at the Regional Headquarters Library. We will be happy to add individuals or organizations to our mailing list upon request.
The booth arranged by the Regional Headquarters Library at the Cherokee County Fair was awarded a blue ribbon and was captioned "What's Your Question?" It was designed to publicize the reference service available to patrons at all the branch libraries and displayed books of ready reference.
Mrs. Dewese's poem about "Bookmobiling" in Nantahala Region was reprinted in the Cherokee Scout. We liked that

Fire Destroys Curtis Home

The home of Mr. and Mrs. R. E. Curtis on Murphy, Rt. 3, Grapecreek, was destroyed by fire Sunday morning, Sept. 18, between 3:30 and 4:00 a.m.
The fire was believed to be caused from a shortage circuit.
The fire caught in the attic over the room where the Curtis' were sleeping. The cracking noise woke Mr. Curtis, but he thought it was

birds chirping and singing and went back to sleep. He was awakened again and looked up at the ceiling and the roof was almost ready to fall in. Curtis got his wife and son out. They lost practically everything they owned, and the house was a complete loss.

ON THE FENCE?

The question of spending vs saving has many a man "on the fence!" Some decide to save what's left after they do their spending. Others decide to spend what's left after they do their saving. We've noticed that those who do their saving FIRST are the ones who really forge ahead financially. If you are "on the fence," why not hop off in the direction of every payday saving here?
