### Murphy Band To Play At Clemson Game

CLEMSON, S. C. - Clemson College will host 33 outstanding high school bands from North and South Carolina at the annual Band Day festivities on Saturday, October 1. The Murphy High School Band, under the direction of Mr. Ed Reynolds will participate in this annual event.

The colorful Clemson College-Virginia Polytechnic Institute football game will form the backdrop for the half-time performance of some 1,500 visiting musicians and about 500 supporting participants - including color guards, twirlers, strutters, band letter carriers, acrobats, mascots, and drum majors.

Parade of bands will begin at 1 p.m. from the assembly point at Bowman Field and proceed to Memorial Stadium. The Ware Shoals High School Band will open the pre-game ceremonies. Dean of Student Affairs, Walter T. Cox, will welcome all guests and visitors. Following the invocation the Tiger Band will play the National Anthem to signal the start of the game.

At half-time, the massed bands will assemble at mid-field for a series of six features. The opening routine

will be a salute to VPI with a parade of colors to the tune of "Officer of the Day". Mr. Butler conducting. Mr. Wagner will direct a salute to all South Carolina with the bands playing "Just a Little Bit South of North Carolina."

### To Participate In Campaign

J. H. Bayless announced today that the Murphy Electric Power Board will participate in the Tennessee Valley Public Power Association's fall electric dryer campaign.

The campaign features a cash bonus of \$15 paid to any residential consumer of the local electrical distribution system who buys and installs an electric clothes dryer during the campaign period.

The campaign opens during the week of October 10 and runs through December 10. Some 80 power distributors will participate.

According to Mr. Bayless consumers who purchase an electric clothes dryer during the sales promotion program will get a \$15 cash bonus from Murphy Elec. Power Board.

To collect their bonus, consumers need only bring a copy of their bill of sale to the Power Board Office.

The \$15 cash bonus will be paid on the original installation of any size or make electric clothes dryer, Mr. Bayless stated.
