Citizens Bank Mails \$81,309 in Xmas Club Checks

Citizens Bank & Trust Company is mailing out today, November 23, checks to 586 members of its 1960 Christmas Savings Club, totaling \$81,309.50. This is the largest number and largest amount saved by members of the Club in the nine years it has been conducted by Citizens Bank & Trust Company. This is a sizeable savings that the members have, through their foresight, provided to be available now for their 1960 Christmas shopping.

The 1961 Club opens at all four Citizens Bank & Trust Company banks Monday, November 28, and a person may join by depositing 50¢ to \$20 per week. The Club runs for 50 weeks and checks will be mailed next year to the 1961 members the latter part of November to be available for Christmas shopping.

Many industries, upon instruction of their employees, will deduct from the weekly pay check of the employees, whatever the employee directs and pay the amount direct to Citizens Bank & Trust Company, thereby relieving the employee from having to visit the bank.

Early Mailing Big Factor in Delivery Before Christmas

Postmaster Joe Ray said today, "Early mailing of all Christmas cards and gifts is the biggest single factor in getting all of the mail delivered before Christmas. Post Office facilities have been expanded, help will be available and everything is geared up to handle a record Christmas mail in Murphy this year."

The entire Christmas mailing period is a big battle against time. Even though Christmas is a month away by the calendar, it's Christmas every day at the Post Office from now on.

The Postmaster advises, "Don't take chances on mailing poorly wrapped packages. Use sturdy corrugated mailing cartons, plenty of heavy wrapping paper and strong cord. Cartons containing several gift packages should be well stuffed with tissue or old newspapers to cushion the contents."

He said further, "If you have articles of unusual size or bulk, better check with the Post Office before attempting to mail them. The limits of size and weight vary, depending on where you mail your packages from."

Always send your Christmas cards by First Class mail and be sure to include your return name and address on each Christmas card envelope.

Send all Christmas mail going long distances before December 10th. Follow up promptly with cards and gifts for local delivery. Mail "Early and Often" for a merrier Christmas!

Free Methodist Host To Union Service Thanksgiving Eve.

On the eve of Thanksgiving many people will attend union services in the Murphy area, and reverently count their blessings one by one.

On Thursday their blessings will not be counted or measured in terms of gold, dollars, tons or bushels. On that special occasion, most people think of the health, happiness and welfare of their families and friends. Following meditation at church services, thoughts will then turn to the festive Thanksgiving feast.

Cherokees attending services most likely will lift their voices in at least one of these favorite Thanksgiving hymns: "Come Ye Thankful People, Come"; "We Gather Together To Ask The Lord's Blessing"; "Now Thank We All Our God"; and "Bless This House."

Murphy Free Methodist Church will be host for union Thanksgiving eve service at 7:30 Wednesday night.

The Rev. William J. Thompson, First Baptist Minister, is to bring the message upon the theme "The Grace of Gratitude" and the Rev. George K. A. Haase, host pastor, will read the Scripture and lead in prayer. A joint choir from participating churches will lead the congregational singing and give special music.

Other ministers taking part are Robert A. Potter, who is to preside; the Rev. R. T. Houts, Jr., to tell of the offering for the Inter-Church Relief Fund; the Rev. Alex B. Hanson, to lead the responsive reading; and the Rev. W. F. Elliott to offer the benediction. All persons in the Murphy area are invited

Appalachian Trips Murphy 13-7 In Final Period

By Phil Mattox

The Murphy High School Bulldogs nobly bowed out to the Blue Devils of Appalachian High School in the fourth period of play at Canton Friday night by a score of 13-7. This game was the quarter finals of the State AA play-offs. The Appalachian team was from Boone, North Carolina.

The Bulldogs won the toss and elected to receive the kick-off. Frank Hill took the kick on the sixteen yard line and ran it back to thirty-five. In the next four plays the Bulldogs moved the ball to the forty-eight yard line of Appalachian, and on the forty-eight David Thompson took a hand-off from Bobby Weaver and passed to Frank Hill who was brought down on the Blue Devils two yard line. On the next play Frank Hill dove across for the touchdown, with only two minutes and twenty-three seconds of time having elapsed. David Thompson caught Bobby Weaver's pass to bring the score to 7-0.

It was Murphy's time to be on the defensive. The Blue Devils ran a thirty-seven yard kick-off to John Van Horn's back to their own forty. The Blue Devils continued to drive down the field until Buck Smith recovered a fumble on Murphy's thirty-four yard line. Murphy moved out the forty-seven yard mark, but was forced to punt. Then with six minutes remaining in the game John-

lineman, and the Blue Devils took over on thirty-seven yard line of the Bulldogs. Then on the thirty yard line Randolph Cunningham recovered Appalachian's second fumble. The Bulldogs fought their way down thirty-two yard line of the Blue Devils, but lost the ball on downs as the first period ended.

The Bulldogs dominated the second period, but in spite of a pass interception by Cunningham another one by Weaver plus a Blue Devil fumble the Bulldogs were unable to score in the period. Thus the score at half time was still 7-0.

An enthusiastic, but very cold crowd was entertained by both school's bands during the half time.

Murphy came back on the field determined to increase their lead, and Appalachian was determined to change to score. Both teams played very hard all through the third period. This period the Blue Devils played a different brand of ball than they played the first half, but they still could not score.

Early in the final period Appalachian drove down to the four yard line of Murphy, but the Bulldog defense stopped the march short of the touchdowns. The Bulldogs were unable to get out their own territory and were forced to punt. Then with six minutes remaining in the game John-

Spencer Will Case Settlement Reached

McRaes Pay Cash, Return Property

The Nora Cobb Spencer Will Case was settled in the special term of Superior Court here Wednesday, November 16.

William G. McRae, an attorney at law of Atlanta, his wife, Marjorie McRae, and Paul Posey of Murphy executed a deed reconveying the Spencer homeplace, consisting of 156 acres of land, a dwelling house, and other buildings located on the property, together with all personal property to the 20 some odd heirs at law of Mrs. Spencer.

Earlier in the week, Mr. and Mrs. McRae made a trip to Atlanta and returned to the Spencer home numerous items of personal property. Included were part of an antique pearl-handled silver set, glassware, china, several pictures, and a coverlet. Mrs. McRae has testified that the property taken from the Spencer home was worth about \$15,000.

In addition to the reconveyance of property to the heirs and the replacement of the personal property which had been removed from the Spencer home, Mr. McRae made a cash payment to the next of kin (who had instituted the lawsuit) and heirs in the sum of \$10,000.

Before the settlement was reached, the suit was in the process of trial in the special term of Superior Court, Judge W. K. McLean, presiding, for nine days. This marks one of the longest lawsuits in many years to be tried in Cherokee County.

The case was brought by J. D. Cobb of Atlanta, brother to Mrs. Spencer, and a host of other relatives, including Ty Cobb of baseball fame. They charged that Marjorie McRae obtained the will and signature of Nora Cobb Spencer with the collusion and aid and assistance of her husband, William G. McRae, an attorney at law of Atlanta and Paul Posey of Murphy through undue and improper influence and duress.

The caveat (complaint) further alleged the will was prepared by William G. McRae. The caveators agreed that the will could be upheld upon the conditions that the McRaes return the real and personal property and make a cash payment to the heirs. Stocks amounting to \$42,000 were returned by Mr. McRae before the trial. \$22,000 in stocks were not recovered. It is believed that McRae had already converted them to cash.

Copy of inventory of items returned by Mr. and Mrs. William G. McRae as inventoried by John T. Gill and now in his possession for delivery to the heirs at law of Mrs. Nora C. Spencer, deceased, exclusive of Olga Hood Jones:

Harold Long of Marble and Bailey B. Coleman, Rt. 3, Murphy, second and third from left, are shown receiving certificates naming them to the Turtle Club from W. E. Howell, assistant forest supervisor of N. C. National Forest. The Turtle Club is an honorary club whose members must have escaped serious head injury or possible death due to the wearing of a protective hard hat.
