Words Of Life

By Father Raymond
Pastor
St. William's Catholic Chapel
Murphy, N. C.

God sent the angel Gabriel to a city of Galilee called Nazareth, where a virgin dwelt. The name of the virgin was Mary. The angel said to her: "Behold, thou shalt conceive in thy womb, and shalt bear a son, and shalt call him Jesus. He will be great, and shall be called the Son of the Most High." (Read St. Luke 1:26-38) This was in fulfillment of the prophecy of Isaiah (7:14): "Behold a virgin shall conceive, and bear a son, and his name shall be called Emmanuel" (God with us).

reason Jesus could say: "Amen, amen, I say to you: before Abraham was made, I am" (St. John 8:58). For this reason St. John in the beginning of his Gospel account wrote: "In the beginning was the Word, and the Word was with God; and the Word was God . . . and the Word was made flesh and dwelt among us." The "Word" is God the Son, (Read St. John 1:1-14). The Son of God is born of the Father; He comes from the Father, somewhat as a thought or a word comes from man's mind; that is why the Son of God is called "the Word."

In order that we may know our Savior and his work better, we will consider in this and next week's column how he became man, suffered, rose from the dead, returned to heaven, and how he will come back on the Last Day to judge the living and the dead (those, that is, who are alive with God's Life because they have lived good lives on this earth; and those who are dead to God's Divine Life because they have not lived good lives on this earth.) In all this we shall see how he loved us, how much he had to endure for our sakes, and how wonderfully his Father glorified him on the completion of his life's work.

At the time appointed, the angel of the Lord brought the message to the one "blessed . . . among women," (St. Luke 1:42) the Blessed Virgin Mary, and the Holy Spirit came down upon her. And at this moment God the Son took flesh from Mary and was made man; "The Word was made flesh and dwelt among us" (St. John 1:14). We cannot hope to fully understand this great truth because it is a mystery, but we believe it because we have God's word for it.

"Conceived by the Holy Spirit, born of the Virgin Mary," God the Son became man. God the Son lives from all eternity with the Father and the Holy Spirit in divine glory and unbounded love. For this

God the Son became a real man, with flesh and blood, body and soul. He was sensitive as we are, to hunger and thirst; he was joyful and sad, suffered and feared the approach of His cruel death on the cross. He was like us in everything except sin (Hebr. 4:15). Even in his present glorified state, arisen from the dead and ascended to the right hand of the Almighty Father, he remains a man, and will forever remain a man. Jesus is therefore God the Son or the Son of God and he is also the Son of Man. During his life on earth, he spoke of himself now as the Son of God and now as the Son of Man --- because he is both God and man. He is consequently one person (the second person of the Blessed Trinity) with two natures: the nature of God, since he was conceived by the Holy Spirit, and the nature of man, since he was born of the Virgin Mary. He is God from all eternity, and he is man from a certain moment in time. He is the God-man. As the God-man he is called Jesus Christ; that is, "The anointed Savior." God the Son became man in order to carry out the great design of his Father: he was to announce the joyful news of the kingdom of God, and to show us by his word and example the way to the Father; he was to free us from sin, and make us once more the children of God.

Overflow Crowd Attends Power & Light Meet

Robbinsville - An overflowing crowd of citizens met at the Graham County Courthouse in Robbinsville with the Graham County Chamber of Commerce Monday night, January 16, and discussed the progress being made in opposing the rate increase asked by the Nantahala Power and Light Company.

The possibility of forming a five-county co-operative and purchasing the Nantahala Power and Light Company received favorable reaction.

It was brought to the attention of the people that if such a co-operative was formed and the power was purchased from TVA it would undoubtedly save the users of electricity in Graham County thousands of dollars each year.

The next meeting of the Chamber of Commerce will be February 21, 1961 for further discussion.

Mayor Smith Howell, president of the Chamber of Commerce, presided.

Halftime: 35-18, Nantahala.
