Whichever size you go for, you'll go better in a Dodge

Some people like full-size cars. Others prefer compacts. Either way, it's OK by us. We make both. Our standard-size car is the Dodge Dart. It is priced model for model with Ford and Chevrolet. However, Dart has features its major competitors can't match: A unitized, rust-proofed body.

Torsion-bar front suspension. And a new device called an alternator-generator that charges at idle, makes a battery last far longer than usual. There are 23 Dart models with Economy Slant Six or one of five V8 engines. Try the full-size Dodge Dart at your dependable Dodge Dealer.

(A full-size Dodge priced model for model with Ford and Chevrolet)

On the right, Lancer, the new Dodge compact. It comes in six models: sedans, hardtop, wagons. With two engine choices: 101 and 145 h.p. Dodge Lancer is priced right down the line with Comet, Corvair and Falcon. It has a battery saving alternator-generator. A fully unitized, rust-proofed body. Want to know more?
