**COMPACT DODGE LANCER**

**FULL-SIZE DODGE DART**

**GET THE WHEELS WITH THE DODGE ON TOP**

Do you prefer a compact car or a full-size car? No matter. We build them both. Compact Dodge Lancer, priced right down the line with Comet, Corvair and Falcon. Full-size Dodge Dart, priced model for model with Ford and Chevrolet. Compact and standard, both Dodges have features their major competition does not offer. A unitized, rust-proofed body. A superb ride: Torsion-Aire. And a new device called an alternator. It makes the battery last far longer than usual, because it charges even at idle. Compact or standard, see your Dodge Dealer. He's got the wheels with the Dodge on top.
