HOW TO TELL A DODGE FROM A DODGE

Identifying a Dodge has become a problem. Because now there are two. Compact Dodge Lancer. Full-size Dodge Dart. There is an obvious difference. Size, inside and out. Dart, the lower picture, is the larger. But otherwise they are very much alike. Both have a unitized, rust-proofed body. A superb ride called Torsion-Aire. A battery-saving alternator. And both have optional three-speed push-button automatic transmissions. Another difference is
