Church we represent," Elder Howton said. "Our message is different from the message of any other Christian Church."

In order to tell people this message, he said, the Church calls about ten thousand young men and women each year to leave their schooling or work for a period of two years, and devote their full time to the job. Like all workers in the Church, they are not reimbursed by the Church for their services, but are entirely self-supporting. When their service is concluded, they return to college, military service, or their chosen vocations.

The Church is located 1/2 block west of Pembroke Jr. High and all people are welcome. The young men can be reached at 521-9862.

Elder Ronald Humphries of Enterprise, Utah arrived this past week to become a resident of Pembroke and do missionary work for the Church of Jesus Christ of Latter-day Saints (Mormon). He will work with Elder David Howton of Sacramento, California. The pair resides at P.O. Box 1322, Pembroke, N.C.

According to Elder Humphries, he works under the directions of the North Carolina Mission in Greensboro, North Carolina. The Mormon Church has over 30,000 young missionaries serving in similar capacities throughout the world the young man said.

Prospect FHA Observe FHA Week February 10-16

The week of Feb. 10-16 was National F.H.A. Week at Prospect High School. The members, along with their sponsor, planned the following activities for the week: Tuesday—lunch was served to the Senior Citizens of the Prospect Community in the school Home Economics Dept.; Wednesday—a tea was held for the teachers; Thursday—the special education students were served punch, cake and candy; and on Friday, the entire school participated in the Red and White Day with everyone wearing these colors. Red and White Day was especially appropriate because the

school's colors are also red and white. The Sweetheart Dance which usually climaxes the annual event was held at an earlier date because of a basketball conflict. The week kept everyone busy, but it was fun for all and brought enjoyment to some special people.

SPECIAL ANNOUNCEMENT

...ADD A THOUSAND TO THE ROLLS OF THE CAROLINA INDIAN VOICE READERSHIP

The Carolina Indian Voice newspaper is growing and we want to share our exciting spurt with you--our readership!

We now have 2300 mostly happy readers of The Carolina Indian Voice. We want to add a thousand to the rolls of The Carolina Indian Voice by Lumbee Homecoming, the first week in July usually.

We are effective this date kicking off a subscription drive. It will be a fund raising extravaganza for you and your club or social organization.

You can earn up to \$1.50 for each subscription sold. Just call 521-2826 and ask for Bruce for more details. It will be fun and it will be a good fund raising project for you.

And what will we get out of it? More subscribers! So we can tell our advertisers that we have 3300 subscribers instead of 2300. They will listen to us more closely if we have more readers than we have now. It's as simple as that. We want to sell more advertising and advertisers place their advertising with the newspaper with the most subscribers generally.

And, on top of that, we will give \$250 to the individual or organization that sells the most subscriptions. (A minimum of 100 must be sold to qualify.) And \$100 to the individual or organization that sells the second highest total.

Call me for more details today. 521-2826. If I am out an appointment will be made for you so that we can talk about it at a later date.

Sincerely yours,
Bruce Barton, Editor
