

### Ever Green Church News

#### by Mrs. Leacie Brooks

Sunday School began at 9:30 a.m. Due to the illness of the Superintendent, Bro. Henry Chavis, the assistant supt, Bro. Jackie Wilkins opened Sunday School.

The theme for Sunday's lesson was "The Expanding Church." Subject for Sunday's lesson was "True Discipleship" taken from Acts 16:9.

Different discussions were very well explained.

Mrs. Dinna Blue's class put on a wonderful program of singing.

Mrs. Kirby Ammons sang a special.

Once again the adult class received the attendance banner. Some of the class mem-

bers are out sick. We are praying for their quick recovery: Mrs. Lula Huggins, Mrs. Iola Strickland, Mrs. Lora Ammons, and Mrs. Jonnie Wilkins.

Those paying their birthday offerings to the church were Scottie Oxendine, Mr. Kirby Ammons and Sister Pearl Strickland.

Rev. Joseph Lee Locklear preached from the book of Psalms, Chapter 23. Realizing that if Jesus is our shepherd, what ever we need we will get, if we only have faith.

Jesus will lead us and guide us, if we'll willing to follow.

When coming down near the shadow of death, he'll be there to lead us on through.

Praise God for the great comforter.

All my needs I've learned that my Lord will supply. Things may look dark at times, but through the years, I've learned the sun will come through. The dark clouds won't last forever. Oh, praise God.

I love the song that says "It is so sweet to be saved." You see, if Jesus is on the inside, whatever we need, we will get...no, not all we want, but just what our father sees we need, if we'll do our part he will do his. So in the end, we get just what we need.

Please make a special prayer for Judy Wilkins. She is in Southeastern General Hospital. Visiting in the home today, spending some time with Jonnie, I realize so many of us aren't doing all we should. So many sick and unable to get out.

Thank you for your prayers for my sister. She is improving.

Don't forget Wednesday night prayer service. Come be with us if you can.

The ladies will be having their auxiliary meeting Thursday night. All members are invited to attend.

Start now making plans to be with us the fifth Sunday night for singing beginning at 7 p.m. For 1982 we will have our singing each fifth Sunday night. All singers are welcome to sing and enjoy the presence of the Lord with us.

#### THOUGHT FOR TODAY

Victory, victory is just a prayer away. Let's reach out, it is for you and me only by asking and believing. Praise God for the victory.

Please pray for us at Ever Green.

The average 100 watt light bulb uses one kilowatt hour for every ten hours it's on.

# ...spend an evening or two with us.

Are you a person that wants to develop a skill or hobby that has always been interesting, or is there a special project you would like to tackle but you don't know where to get all the facts?

Are you an adult that wants to learn new developments in your job or gain new training that may lead to advancement?

Then, why not spend an evening or two, sometimes even a day, with us. We can help you develop that skill, hobby or hidden talent. We can give you the facts needed to complete that project or job training.

\$8.00 is all it takes to enroll in the class you want. Supplies and materials for each class are to be furnished by the student, unless otherwise specified.

It's never too late to learn. Persons 65 years of age or older are exempt from the \$8.00 registration fee.

Winter courses begin soon for our Adult Enrichment and Occupational Extension programs. Registration is usually held on the date of the first class meeting. All applicants must have their Social Security number to register.

Robeson Technical College reserves the right to make changes in the schedule or cancel classes due to insufficient enrollment.
