PEMBROKE STATE WRESTLERS HEADED TO NCAA II NATIONAL WRESTLING CHAMPIONSHIPS

The 1982 NCAA Division II National Championships is the next item on the schedule for two Pembroke State University wrestlers.

Alan Davis, a sophomore from Stedman, and Willie Dye, a senior from Chester, S.C. will travel with PSU head Coach P.J. Smith to the national event to be held Friday and Saturday at the University of Wisconsin-Parkside.

"Alan is hungry to make All-American," stated PSU Coach Smith. "The tournament is good experience for him and his take down ability, he is a tough wrestler. Much of the credit goes back to his high school Coach Mike Stanbridge of Cape Fear."

It will be the second trip to the nationals for the 150-pounder Davis as last year he failed to place at the NAI National.

"I think I've got a good chance as Erwin won second place at the nationals last year and I finished second to him in the regional," stated Davis. "IN ORDER TO DO WELL I need to get my mind right and wrestle to the capability that I have."

The wrestler Davis continued, "Practice has made me better and having people around to push me has helped. Coach Smith has also helped me a lot."

Davis recently has won several honors having won the Carolinas Conference championship as PSU took second place team honors;

won the NAI District 26 title at 150 at PSU also took second place team laurels; and finished second place in the NCAA II Regionals. Davis owns a 25-5 season mark.

Meanwhile, Willie Dye, the 134-pounder who has re-written the record books at Pembroke State University, owns a 30-2 1982 record and has bounced back from his injury.

"No matter what happens, he has had a brilliant career," stated Coach Smith. "Last year I was hampered by injuries. My injuries I had in the Regional are healed."

The two wrestlers and Coach Smith will fly to Wisconsin on Friday morning and plan to return to the PSU campus on Monday.

Pembroke State's wrestlers records are as follows: Jeff Graham, 9-15; Mike Lilly, 11-2; Damon Tobin, 15-15-2; Willie Dye, 30-2; Freddie Richardson, 30-3; Alan Davis, 25-5; Eric Tyce, 17-16; Geoff Losey, 19-13; Barry Dean, 27-7-2; Jimmy Simpson, 12-5-1; Jay Peyrouse, 13-12-1; and William Snipe, 4-13.

Pembroke State's baseball season opens at N.C. State on Monday as the Braves hope to improve on last year's 18-22-1 mark.

Then on Tuesday, Pembroke State will host UNC Charlotte at 3 p.m. and will host St. Andrews on Wednesday at 3 p.m.

That's PSU baseball home Tuesday at 3 p.m.

PEMBROKE STATE WOMEN'S CAGE TEAM ENTERS AIAW STATE TOURNAMENT AT UNCW

PSU will be one of ten teams participating here in the AIAW State Tournament to be held at UNC-Wilmington Wednesday through Saturday.

Pembroke State, 16-7 on the year, received a first round bye because of their high state ranking. The winner of the state tournament will advance to the AIAW Regionals at College of Charleston.

"We are very pleased to go into the tournament with the third seed," stated Pembroke State Coach Linda Robinson. "This is the highest ranking we've held this year and it is a good time to hold it."

Coach Robinson continued, "Anybody can win the state tournament. UNC-Wilmington will have the advantage being at home and number one seed. A & T will be tough game for us. Offensive execution will be the key to our success."

Wednesday night games include UNCC vs. Belmont Abbey at 7 p.m. followed with Gardner-Webb vs. UNC-Asheville at 9 p.m.

On Thursday, Lenoir-Rhyne meets Western Carolina at 1:30. Campbell will play the Gardner-Webb Vs. UNC Asheville winner at 3:30; UNC-Wilmington battles the UNC/Belmont Abbey winner at 7; and Pembroke State meets N.C. A & T at 9 p.m.

Friday night's semifinal games will be at 6 and 8 p.m. with the consolation finals set for 6 p.m. on Saturday and the championship finals scheduled for 8 p.m. Saturday.

Final regular season state rankings were as follows: 1. UNC-Wilmington; 2. Campbell; 3. Pembroke State; 4. Lenoir-Rhyne; 5. Western Carolina; 6. N.C. A & T; UNC-Asheville; 8. UNC-Chalotte; 9. Belmont Abbey; and 10. Gardner-Webb.

STAGE IS SET FOR ANOTHER PSU BASKET BALL UPSET

Only a year ago, PSU's men's basketball team entered the Carolinas Conference Tournament looking to win the hardware for the first time ever.

But the Braves put together

three super games and walked away with PSU basketball history and all the Carolinas Conference honors.

The 1982 tournament, set to see the Braves in action tonight at 7 p.m. against High Point, will be tough. Pembroke State, unless upsets, would have to High Point, Pfeiffer, and nationally-ranked Catawba to win the championship.

"Playing High Point tonight will be a challenge since they have beaten us twice," state Pembroke State Coach Billy Lee. "High Point has five starters back from last year's team which makes them strong and they are a very talented basketball team."

PSU's head coach continued, "They are very deserving of the very high seed they have."

But what is the key for Pembroke State?

"For us to win the Carolinas Conference Tournament we will need to handle the basketball without mistakes, take good shots, and play team defense. It is always exciting to go into the Carolinas Conference Tournament."

This is Billy Lee's third Carolinas Conference Tournament and the Braves do not have a pattern of success. His troops have lost in the opening round, advanced to the semifinals, and won the whole thing.

Leading the Braves, 10-15 on the season, will be senior All-American Roger Carr. Carr leads the team in scoring with a 20.5 clip while Michael Southerland is averaging 14.4 points per game.

Carr, Southerland, Steve Page, and Mike Morley have all played in the conference tournament before.

If Pembroke State wins Wednesday night against High Point, then the Braves would meet the winner of the Pfeiffer-Guilford game at 9 p.m. on Thursday in the semifinals. A loss would mean the end of the season for the Braves.

In other first round games, Catawba played Elon last night while Wingate will battle Atlantic Christian in the second game tonight.

"We'll have to play three great games to win, not three average games," added Coach Lee. "But anything can happen when it comes to the Carolinas Conference Tournament."

Pembroke Jaycettes Activities

Feb. 7-13, 1982 was National Jaycette Week. Thanks to Pembroke's Mayor James "Pete" Jacobs, for signing a proclamation declaring Jaycette Week in Pembroke. The Pembroke Jaycettes began a very exciting week of activities by attending church together at White Hill Church. The church extended a very loving welcome to the Jaycettes.

On Sunday afternoon the Jaycettes delivered home made cookies, Valentine cards and Ronald McDonald Space Ships to the 18 patients on the children's ward of Southeastern General Hospital of Lumberton. The 40 patients on the first floor of the Extended Day Care Unit were also surprised and pleased when the Jaycettes presented each patient with an 8 by 10 homemade Valentine card bearing the message "Our hearts are for you. Happy Valentine's Day. Love, Pembroke Jaycettes." The day ended with a call to the N.C. State Jaycette President Doris Gosnell.

On Tuesday night the Pembroke Jaycettes attended and open house sponsored by the Laurinburg Jaycettes. Nancy Smith was sworn in as the newest member of the Pembroke Jaycettes by the East Central Director Marion Moss.

Wednesday night was Jaycee Appreciation Night when the Jaycettes prepared a delicious covered dish dinner for the Pembroke Jaycettes at their regular club meeting. The Jaycettes presented the Jaycees with a "Number 1 at Something" Award.

Thursday night was the beginning of a CPR class sponsored by the Jaycettes for the community through Robeson Technical College. The classes were instructed by Marilyn W. Howell of Lumberton who is a N.C. EMT Examiner. The second half of classes were completed on Feb. 18 which certified the participants in CPR.

Thanks to the community, Jaycees and Jaycettes for their participation.

Thanks to the Pembroke Jaycettes for working so hard to make it a great week.

Ever Green Church by Mrs. Leacie Brooks

Glad to announce that the Superintendent, Bro. Henry Chavis was able to be in church.

We are studying from Acts 27. The subject for Sunday's lesson was "Confidence During a Crisis." A look at one's life. How do we act in times of crisis? Is our faith strong enough to sustain us no matter what the circumstances as storms that we must face.

During Paul's crisis he was able to hear Jesus speak the words "Fear not." A great storm was up but through the storm God had a plan. So it is for you and I. No matter how rough the storm through life there is a way out. So often we fail to listen for the voice of Jesus. Please read chapter 27 of Acts. There is a great lesson for all of us to be found in this chapter.

Being disobedient brings fears and tears to our eyes at times. But after all God loves his people and has a way for their escape. May God help us as his creation to listen to his voice.

The junior class had the program Sunday. The teacher is Sister Mary Locklear. The program was "Is God at Work in Your Life?" They sang beautifully.

Eric Locklear and Shirlean Lowry held a discussion on sin. Rev. Edmond Locklear, husband of Mrs. Locklear, gave a wonderful talk. He also asked a very serious question. Do you to church out of habit or fear? Some may go just for a pin, but one thing is for sure, we are supposed to fear God and respect him.

The program was closed with the song "I'll Be A Friend To Jesus."

Proud to have my sister, Lurenia Canady and family with me at church. I want to thank everyone who prayed for her during her bad time

of sickness. She is not well, but thank God, she was able to be in church. Please keep her on your prayer list.

Rev. Edmon read John 13:23 John's last testimony and Comment. A special prayer was said for the sick. No preaching today. Remember Sister Nancy Ann in your prayers. She came home from Fayetteville Hospital but had to be taken to Southeastern General in Lumberton.

My sister-in-law is some what better thank God. She was taken out of intensive care today. Keep her on your prayer list.

Please make a special prayer for my brother James, he's to go to Fayetteville Hospital Wednesday for an operation. Pray God's Will will be done. He is lost in sin and I know God is able to Save, and to heal too.

MY PRAYER FOR TODAY

Father in Heaven, how wonderful it is to be able to come to Thee like this in Prayer! How wonderful to be able to speak freely to Thee of all things that concern me and those who are so dear to me!

It is for my Dear Ones that I am Paring today, Father! And mine is a Prayer that Thou wilt grant until my Dear Ones the "good Fortune" which only Thou canst give! Which is health.

Let those whom I love cling to that which is good! Let them be worthy of the Blessings which Thou dost have the power to bestow! Make them happy in their lives... by helping them to live as Thou wouldst have them live! Above all, put love in their hearts for Thee!

Please pray for us at Ever Green.

OUTREACH HOLINESS CHURCH NEWS

by Sister Fannie C. Oxendine

Out Reach Holiness Church Sunday School begins at 10 a.m. Morning service begins at 11 a.m. The first and third Sunday night services begin at 7 p.m. Singing is each fourth Sunday at 2:30 p.m. The pastor is the Rev. James Bullard, Jr.

We praise God for being able again this week to tell the good news of our Lord and Savior Jesus Christ. Our lesson Sunday was entitled "Confidence During Crisis." Paul was a man of God. The ship was caught in a storm. They begin to toss things overboard to lighten the ship. But the Lord appeared to Paul and promised him that he would be delivered to Rome. Paul stood up and said, "And now I exhort you to be of good cheer, for there shall be no loss of any man's life among you, but of the ship. For there stood by me this night the angel of God, whose I am, and whom I serve, wherefore, sirs, be of good cheer, for I believe God that it shall be even as it was told me."

Many peoples' lives are like this storm-tossed vessel. Many people attempt to sail

the course of their lives on the basis of their own knowledge and wisdom and not upon the righteousness of the Lord Jesus. Faith in God will bring us safely through the storms of life.

God provides opportunities for men of faith to witness, even during times of crisis and great peril. I will trust and not be afraid, for the Lord Jehovah is my strength and my song. The man who is moving in the will of God has inner victory despite all outward circumstances. There are many kinds of fellowship but none so precious as the fellowship of the saints.

Sinner, Jesus loves you and he is so soon to come. Please get ready. Time is running out. Don't forget our singing Sunday. Come be with us. All singers are welcome. God bless you all. Continue to pray that God will send us a piano player.

Pray for us at Out Reach that we will always let the Holy Ghost have its way in our service. God is really blessing our church services.

Don't forget our revival April 4. Rev. Roy Clark will speak. Pray that souls will be saved.

LOUISA'S LETTER

Dear Louisa:

Is it possible to be in love with two people at the same time? This is my problem. I have been dating them both for the same amount of time approximately--for almost four years. One of them asked me to marry him and I think I would be very happy married to him, but I think I love the other one too, and that he would ask me to marry him, because he has hinted about it but hasn't yet proposed. What am I to do? I'm at the point where I must decide, but I don't know what my decision should be. Can you please help me? I do need help desperately. I am

20 years old and both of them are 21. It isn't that we aren't mature because we are. Please help me. B.J.--Calif.

Answer: If a person is undecided about marrying a person my advice is--don't. It is possible to love two people--there are various kinds and stages of love--but unless you feel that life without that special one would be an unhappy life you are not really in love. Louisa.
