

PEMBROKE WALLOPS RED SPRING

Pembroke-Maybe it was the brand new uniforms they were wearing. Maybe it was the welcomed summer-like temperatures.

Whatever the case, Pembroke Senior High's Warriors showed Friday afternoon why they are considered to be one of the best high school baseball teams in the county as they pounded three different Red Springs pitchers for a dozen hits enroute to a 12-0 win in a game stopped after four and a half innings.

Except for a bloop single by Jamie Farrell in the first inning, the Red Devils were unable to dent the hit column against the three hurlers Pembroke coach Ronnie Chavis sent to the mound.

Fine defensive play by a veteran infield helped assure the win for Pembroke in its season opener. Shortstop Devy Bell started a double play in the third inning that cut short one possible Red Springs rally. In the fourth inning pitcher Eric Locklear ran down an infield chopper and made a perfect throw home to catcher Eric Locklear who put the tag on a sliding Keith Martin, the only Red Springs runner to get as far as

third base the entire game. For Red Springs, now 1-1, it was a frustrating afternoon. The Red Devils, who blanked 4-A Scotland County earlier in the week, got four walks, but the play on which Martin went down at the plate was the closest they ever came to scoring.

Pembroke meanwhile was having a field day at the plate, scoring in each frame except one. The Warriors scored their runs in bunches, bringing in four in the first, third and fourth innings.

Coach Chavis, who before the game had said he planned to let each pitcher work no more than two innings, was pleased with the win but let it be known that he was already looking ahead to his team's next game. "I know Lumberton will be ready to play us Monday afternoon," said Chavis of the Pirates who host the Warriors in a 3:30 contest.

Starter James Bird, Pembroke's ace a year ago, picked up the win while Eric Locklear got the save. Red Springs starter Timmy Miller got the loss.

JOSEPH IS OBEDIENT BY Jayne

PUPPETEERS PLAY
Teacher: Today we shall have a story showing the love of a boy who had been mistreated by his brothers. Jerry, will you tell the story for today?
Jerry: Yes, mam. Let us look back a bit, to tell how he got to this place.

John: Joseph's 10 brothers sold him to the Ishmaelites, who took him to Egypt and sold him again.

Joey: Right. They sure didn't like him, but it was jealousy. Their father loved Joseph so much.

Jerry: You are right. So after he was sold to the Ishmaelites who resold him in Egypt, Joseph was placed in Potiphar's care. Potiphar was an officer of the king. The Lord blessed Potiphar's house because of Joseph's being his overseer.

John: Potiphar's wife was not nice to Joseph. She told an awful lie on Joseph.

Jerry: Yes, that is why Potiphar put Joseph in prison. Maybe this was good for Joseph. It was not long before the keeper on the prison gave Joseph the keys to the prison house. Though it did not seem to be any more than prison it turned out to be an opening to the king's palace. One day the king sent his baker and his butler to prison. Some time later Joseph noticed that they

were very sad faced. He asked them what the problem was.
John: Think I know what their problem was. They dreamed a dream, each.

Jerry: Right. After they told him what their dream was, Joseph told them that God could explain the dreams.
Joey: That is when they told him the dreams?

Jerry: True. Then Joseph told the baker that within three days he would be killed, but the butler would be released from prison within three days. Joseph told the butler to remember and tell the king about him (Joseph) when he came into the king's service. He didn't. Some time later the king had a dream. As a matter of fact he had two dreams.

John: Then the butler remembered his own dream, huh?

Jerry: Yes, he then told the king how Joseph had told him the meaning of a dream he had had while he was in prison.

Joey: That is when the king sent for Joseph.

Jerry: Yes, and after Joseph told the king the meaning of his dream, the king made Joseph ruler, next in line to himself.

Teacher: What lesson do we learn here?

John: Keep listening to God, it really pays off.

Pembroke Rifle Team Wins Division

by Adam Powell

When Pembroke JROTC Rifle Team started out the 1981-82 school year, they knew they possessed the skill to capture the division title. After a very successful division season, the Warriors prepared for the conference championship under the supervision of Master Sergeant Richard Knox. On March 5, 1982 the Warrior sharpshooters met the West Brunswick Trojans and fired a very good match. But in spite of how well the Warriors shot they were edged out of the conference championship. After the Rifle Team put up their rifles for this year they will be losing most of the following rifle team members. Team commander Cadet Captain Terry Deese, Major Robert Lee Locklear, Cadet Captain Don Newton, Cadet Captain Eddie Jones, Cadet First Lt. James C. Locklear and Cadet First Sgt. Ervin Cummings.

After the conference match, a competition was held to determine the conference Rifle Team. The members of the Conference Rifle Team are: Cadet First Sgt. Richard Stidham from South Brunswick, Cadet LTC Joey Howard from West Brunswick, Cadet First Sgt. Kenneth Lee from New Hanover, Cadet Captain Terry Deese from Pembroke and Cadet Major Ted Wiechman from Lumberton.
