Lumbee Bank, first runner up

Sarah Lucas (left) "Miss Robeson County Recreation Department, and Coach Joe Locklear, right, are shown presenting first runner up trophy in the Robeson County Recreation League to Jim Hunt, President of Lumbee Bank, sponsor of the Women's Basketball. This was the first time ever Pembroke has had a women's team in the Robeson County League.

Lumbee Bank's team players would like to thank Lumbee Bank for giving us this opportunity and sponsoring us in the Basketball league.

"We placed third in the season and took second in the tournament. I think we played pretty good considering this

was the girl's first year ever playing together," commented Coach Locklear.

Lumbee Bank will be sponsoring a women's Softball team this year, and anyone interested in trying out for the team should show up at practise that begins Tuesday at 6:00 p.m. at Pembroke Elementary School.

CHEROKEE CHAPEL NEWS

by Mrs. Jessie B. Chavis, Publicity Chairman
Cherokee Chapel Methodist Church of Wakulla, NC closed out its week's revival Friday night of last week with the Evangelist, Rev. C.W. Oxendine, bringing the closing message in the presence of a large audience.

At the close of service everyone assembled to the fellowship hall, with the pastor leading, for refreshments. The evangelists, visitors and friends were given a warm hospitality that will be long remembered.

Last Sunday morning at 11 a.m. Rev. Ransom received a number of probationers into the church, who had made their confession of faith during the following week.

Following the receiving ceremony, Rev. Ransom read the following scripture: Isaiah 53:4-9 with special music following by the Adult Choir using the selections "The Touch of His Hands" and "Beyond the Sunset."

After the rendering of

music, Rev. Ransom brought the morning message using for his subject "The Death of Jesus, A Revelation." Closing prayer was delivered by Freddie Oxendine.

Among the visitors attending Sunday's service were Mr. and Mrs. Waldo Dilgard of Ashland, Ohio.

Friday evening, April 9, at 7:30 p.m., a singing will be held in the Oxendine School Gym sponsored by the Brotherhood and the Oxendine Booster Club. Admission for adults will be \$2 and \$1 for children. Proceeds will go for the Brotherhood and Oxendine Booster Club projects.

EASTER SUNRISE SERVICE
Easter Sunrise services will be held Sunday morning at the Cherokee Chapel Methodist Church at 5:30 a.m. with breakfast following in the fellowship hall sponsored by the Brotherhood.

At 11 a.m. an Easter program will be presented by the youth and adults in the sanctuary under the direction of Spencer Locklear, Freddie Oxendine and Clyde Colbolt.

Ultimately weakness and fatigue, tremor of the arm accompanies the pain and the muscles across the chest may become tender. The symptoms then are all the more recognizable and made more severe by coughing and sneezing.

Shoulder and arm pain constitutes the most frequently recognized symptom of structural defects in the lower neck and upper spine.

Abnormally small or distorted nerve openings in the upper spine serve to irritate the nerves which pass through them to supply the shoulder, neck, arm, upper back and chest muscles. It follows that muscles supplied by irritated nerves themselves become tense, painful, and lose their normal elasticity and ability to relax.

The shoulder pain, tingling, and pain across the chest can be only the first of many problems. Upper back aches, headaches, pain and tenderness of forearm, all are phases of the composite picture.

Experience has shown that shoulder and arm pain respond to our specialized care. But the early warning symptoms of pain and tenderness are calls to action.
