Pembroke, N.C.—The Pembroke Jaycees recently traveled to Asheville, N.C. to attend the N.C. Jaycee Convention, and indeed did, they attend the 1981-82 year for the Pembroke Jaycees was one of the best ever. And one could tell this by the awards the Jaycees won. The most prestigious award won was the Blue Chip Award. Out of approximately 325 chapters in N.C. this award is given out to only 30 chapters. This award is an indication of the local chapter's community programs. Raymond Cummings won "Top Ten Jaycees in the State." Willie Harris won "Top Ten State Directors in State." Jimmy Goins won "Top Ten Presidents in State." He also won "The Charles Hutchinson Award." Milton Hunt won the "Freedom Award." This award is only given to three Jaycees in North Carolina. It represents dedication to the Jaycees, church, and civic government. Melton becomes the first Pembroke Jaycee to ever win this award.

Gerald Strickland win one of the top ten district directors in the state award. Gerald truly deserved this prestigious award. He also won a step up in winning the regional director. The Pembroke Jaycees also won the Chapter of the Month of November. Past President Jimmy Goins would like to thank the Pembroke Community for their support of the Pembroke Jaycees during this past year. Said he, "A Jaycee Chapter can be no better than the support of Community allows them." Taking into account all the awards won by the Pembroke Jaycees this year, one can readily see the support has been their for the Pembroke Jaycees. Thanks again to the Pembroke Community. President Willie Harris would like to thank everyone. He also would like to invite all young men between the ages of 18-36 to come out any Wednesday night at 7 p.m. to the Pembroke Jaycee Club House and find out what the Jaycees are all about. He would also like to extend a helping hand to the newest Jaycee Chapter, the Union Elementary Jaycees, and congratulate them on undertaking the effort to help their community become a better place in which to live.

...TRY THESE COOL TIPS FOR HOT DAYS.

- 1. A CEILING FAN CAN DO WONDERFUL TO COOL YOUR HOME. IT CAN HELP CIRCULATE COLD AIR FROM AN AIR CONDITIONER. EVEN USED ALONE, IT CAN REDUCE ROOM TEMPERATURES BY 10 TO 12 DEGREES, USING NO MORE ENERGY THAN A 75 WATT BULB!
- 2. DON'T RUN AIR CONDITIONERS UNLESS PEOPLE ARE ACTUALLY IN AN AREA. MOST AIR CONDITIONERS CAN MAKE A ROOM COMFORTABLE IN AS LITTLE AS HALF AN HOUR. THERE IS NO NEED TO USE ALL THAT ENERGY TO COOL AN EMPTY ROOM!
- 3. IF YOUR AIR CONDITIONER IS MORE THAN EIGHT YEARS OLD, IT'S PROBABLY DELIVERING LESS COOLING AT HIGHER COST. A NEW HIGH EFFICIENCY MODEL CAN SAVE AS MUCH AS 30 PERCENT IN OPERATING COSTS!
- 4. THE ENERGY EFFICIENCY RATING OR EER SHOULD BE YOUR GUIDE IN BUYING AN AIR CONDITIONER. THE HIGHER THE EER, THE LESS ENERGY NEEDED TO COOL. AN EER OF 10 IS EXCELLENT. THESE TIPS ARE FROM THE NATIONAL ENERGY WATCH, THE ENERGY EFFICIENCY PROGRAM FROM THE ELECTRIC UTILITY INDUSTRY.
