MT. AIRY NEWS

by Violet Locklear

The pastor delivered a wonderful message. It was taken from I Kings 19th chapter verses 1-8, the subject, "A Depressed Saint."

Elijah seemed to think the whole world had caved in on him, and he wanted the Lord to take his life. Just think of Job, what he went through. To me Job is an example of patience under trial. The agony and misery felt by this righteous man was almost unbelievable. Yet he never wavered in his love for the Lord. I know I am sick a lot but I don't let it get me down. I keep on going. For you don't have to look far and you will find some one probably not able to go at all. I think all things are sent by God for our good. Even the bitter "melon" of trial. I refer to my (Brother Sanford) a lot as being like Job. It seems there is nothing too hard for him: read Jeremiah 32-27. Believers must trust God even when they cannot trace him.

Vacation Bible school has really been tremendous, as of Tuesday night we had an enrollment of 237. Perfect attendance awards will be given on Friday night, our goal is set for 250 that night. This is Evangelistic and Parents' night. We are looking for a large crowd.

The pastor, the Young Adult Ladies and our Quartet and others from our church, attended service at Sandhills Baptist Church at Wagram Sunday night. Our pastor was the speaker.

Don't forget our quarterly singing this Sunday night at 7:00. All choirs are invited to attend. I hope it will be as good as the last one. Mrs. Darlene Carter (my daughter) and sons, returned home last week from Wyoming, where they had made their home since Christmas. I surely was proud of their return. Mr. Harley Hunt is a patient in Cape Fear Valley Hosp. His condition remains unsatisfactory. Mrs. Leila Ann Jacobs is a patient in S.E. Gen Hosp. Please remember them in your prayers.

Our graduates received Bibles as gifts from Mrs. Maxine Dumas of Jacksonville Fla. Her father, John L. Carter presented the Bibles to the graduates on Sunday. This is a routine she has been doing each year for a number of years. With each ones name engraved on the Bible. The most precious gift they could ever receive, if they make use of it.

I visited on Tuesday with Mrs. Fannie Mae Herring of Lumberton. Who recently had a heart attack. She is a lovely person. I worked with her for seven years.

"Congratulations" to Mr. & Mrs. Harold Tyner for their little son Lance, born June 13, 1982. Your marriage has been truly blessed...For with your new son's birth...God sent an angel down from heaven...To live with you on earth...And so through this tiny angel...He has drawn you together for life...For now you are father and mother...Instead of just husband and wife...And while he is yours to fondle...To care for, teach and to love...He belongs to his Father in Heaven...For he came from his home up above...So ask him for guidance in molding. The future of your little boy...For he is a "Jewel" from his kingdom...Sent to bring Heavenly joy!

Thought: all the evil in the world...The Blackest Kind of Sin...Can never hurt the Church of God...Unless you let it in...God put the Church in the world...Satan tries to put the world in the Church... Do you follow that?
