Graduating preschoolers at Wonderland Child Care Center recently visited local elementary schools to get a preview of the "big schools" they will attend in the fall. The schools visited by the preschoolers included Pembroke Elementary, Union

Elementary, Deep Branch Elementary, Union Chapel Elementary, and Prospect Elementary. Shown above are a few of the children with their teacher and school director, Mrs. Peggy B. Brewington.

School-age children at Wonderland Child Care Center recently enjoyed an afternoon skating at Skateworld, Lumberton. Shown above are the children, who along with their teachers, Mrs. Sandra Hunt and Mrs. Peggy Brewington, director, experienced many laughs and falls. Mrs. Brewington said that all of the children were able to skate before returning to Wonderland. This activity is just one of the many experiences planned for the school-age child attending Wonderland this summer. [Connie Bray-boy photo]
