AGRICULTURAL EXTENSION SERVICE

JOHN G. RICHARDSON
Robeson County Extension Chairman

From a good start last year the Farmers Market in Lumberton has grown rather dramatically. Since its beginning, the market has attracted more than 90 small farmers who have usually been successful in selling their products through the market. Recently, we have been even more pleased to see the tremendous response by the general public to the market and while hardly anyone likes traffic jams, the jams that have resulted recently around the Farm and Family Center on Farmers Market Days have been somewhat gratifying. Now that the Lumberton market is obviously success-

ful, an effort is underway to develop another Farmers Market in Robeson County for the Pembroke area. The market in Pembroke opened July 3 and will be open every Tuesday and Saturday throughout the growing season. The Pembroke Community Workshop is coordinating the Farmers Market effort in Pembroke with Lawrence Locklear providing the leadership for that effort.

The Pembroke Farmers Market is being operated as one segment of an overall nutrition program that is being sponsored by Presbyterian churches throughout the United States and under

the local leadership of the Reverend John Robinson. In addition to the Farmers Market, they are also operating a community garden and will also provide a community canner and other special nutrition projects and information to people in the general area of Pembroke.

John and Lawrence have been working very close with the Extension Service in all of the special nutrition projects and even though the Farmers Market is located in Pembroke, it along with the Lumberton market is open to local citizens whereby they may sell their own products directly to the consuming

public. Since the specially funded program will operate for a minimum of five years, it appears that with the excellent leadership and cooperation that is being exhibited that this major new initiative will be successful and most beneficial to a large number of Robeson County citizens.

Shine washed windows with newspapers, but be sure you've read the papers or the project could take all day.

Outreach Holiness Church News
by Sister Pauline C. Ozandine

Sunday School was held at 10 a.m. and Morning services at 11 a.m. The 1st and 3rd Sunday at 7 p.m. and singing on the 4th Sunday at 2:30 p.m. The Rev. James "Buddy" Bullard, Jr.

We praise God for his many blessing He has given us at Outreach Holiness Church. He has blessed the church and never a time that we gather at church that he always sends his spirit to bless his people. We praise him for our Revival this past week, Rev. Guy Graham preached us the word just like it is and we thank God for a man that will take God's standard and preach the word. Rev. Guy Graham, we would love to say, Preach on son, God will stand by your side. Sunday morning our pastor preached a sermon with a great anointing of God's spirit. He preached how Christ came and died on that old rugged cross. Sinner, he shed that blood for you and I.

Our lesson "Pressures that Threaten the Family". The greatest threat to families today is "Sin." Love and understanding within the family will help protect its members from the evil influences of this world. Success in marriage consists not only in finding the right mate, but also in being the right mate.

Happy are the families where the government of parents is the reign of affection and the obedience of the children in the submission of love. II Corinthians 6:14. "Be ye not unequally yoked together with unbelievers; for what fellowship hath righteousness with unrighteousness? And what communion hath light with darkness? And what concern hath Christ with Bael? Or What part hath he that believeth with an infidel? Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing; and I will receive you, and will be a father unto you, and

ye shall be my sons and daughters saith the Lord Almighty." We just thank God for his saving power. This coming Sunday morning we will be having a Communion Service after Sunday School. If you can be with us. God set this example for his children that we eat the bread of life and drink of his blood, and wash another's feet. Do you love your sister that you can wash their feet? Brothers, do you love your brothers that you can wash their feet? Jesus said do it. God is love. Come be with us. If you can't come then pray for Outreach. God bless you. Pray for the sick and especially the sinner.
