

"CLIMB 'TIL YOUR DREAMS COME TRUE"

By Judy Wilkins  
Often your tasks will be many...And more than you think you can ever do...Often the road will be rugged...And the hills insurmountable, too... But always remember, the hills ahead...Are never as steep as they seem...And with Faith in your heart start upward...And climb 'til you reach your dream...For nothing in life that is worthy...Is ever too hard to achieve...If you have the courage to try it...And you have the Faith to believe...For Faith is a force that is greater than knowledge or power or skill...And many defeats turn to triumph. If you trust in God's wisdom and will...For Faith is a mover of mountains...There's nothing that God cannot do...So start out today with Faith in your heart...And "Climb 'Til Your Dream Comes True!"... Please pray for us at EverGreen.

When you pay your taxes, do you ever stop to think of what you are contributing to?

Auction to be held at PSU  
Daniel DeVane to be Auctioneer

Area merchants are asked to donate merchandise and goods to be auctioned at Pembroke State University Saturday, Aug. 28, with the proceeds going toward matching fund requirements by a U.S. Department of Commerce grant for a PSU television facility.

In hosting the auction, PSU will have an all-day picnic plus country and blue-grass music, beginning at 10 a.m. and continuing until 7 p.m. that evening.

For every \$1,000 raised during the auction, the U.S. Department of Commerce will provide \$3,000 to Pembroke State University for its facility. Auctioneer for the occasion will be Danny DeVane of Raeford, newly elected member of the N.C. House of Representatives.

Jackie Jacobs, promotion and resource director of the PSU television project, will act as mistress of ceremonies. Other entertainers will include Lori Ann Locklear, Dr. Shelby Stephenson, Ronnie Stansel, George Lowery, Rhonda Flanagan, Brenda Hunt Williams, Layton Chavis Little Miss Lumbee, and Little Miss North Carolina.

There will be food and fun for the whole family," says Miss Jacobs. "Merchants, please call us and tell us what merchandise you can donate. It is tax deductible." Dr. Matt Morrison, director of radio and TV communications at Pembroke State University, or Miss Jackie Jacobs can be reached at 521-4214, Ext. 378 or 408.

Ever Green Church News  
by Mrs. Leacie Brooks

The superintendent welcomed each one, especially Mrs. Annie Mae Oxendine to church. Proud to have her in the adult class with us.

The subject for Sunday's lesson was "The Family and Finances."

While many people are successful at making, investing and saving money, these are not the most important aspirations for a Christian or a Christian family. Our interest should go beyond money matters. We should be concerned with being good stewards of our earthly possessions and to acknowledge God as the giver of all things. We must "seek...first the kingdom of God, and his righteousness," and then expect material things necessary for our survival to be "added unto" us. (Matthew 6:33)

**THE POSSESSIONS WE HOLD**  
In Luke we join Jesus as He was teaching. As He spoke He was interrupted by a covetous young man who desired that Jesus act as a judge over the family inheritance. The young man's father had died and, according to the law of Moses, the young man's elder brother had been given the double portion of the inheritance. The young man hoped Jesus would alter the law. But Jesus refused, for it had already been settled by the law of Moses.

We learn something of modern society from the young man's attitude. The more possessions we have the better we will live.

In the meantime, we are commanded to be content with God's provisions for the necessities of life.

Love for money is the root of all evil. Notice that money itself is not necessarily evil, but the love of it is evil.

**THE OBLIGATIONS WE MAKE**  
The truth is that we are God's people and our success lies in the fact that He loves us. What our neighbors have is not important to God. In Him there is no thought of keeping up with anyone or anything but His love and concern for us.

Now let us see another modern danger to our families credit buying. The availability of financial credit often makes it easy to yield to the temptation of buying what we do not need. The motto is "Buy now, Pay later." We must remember at this point that credit, like money, is not evil. But it will become evil if we use it unwisely. We should not obligate ourselves to make time payments unless we are reasonably sure we can meet them. In Romans 13:8 the Bible commands us: "Owe no man anything." This does not mean we should never buy things on credit, but that we should pay our debts according to the payment agreement.

**THE GIFTS WE BRING**  
We see from the Bible verses under consideration that we are required to be good stewards of our possessions. In Biblical times a steward was one appointed to manage wisely the property, business, or household of another. If he did not so manage, he was relieved of his duties. So it is with us. We have been appointed by God to be stewards of the wealth He has placed under our jurisdiction. We have the privilege to use and manage God's possessions for Him. We acknowledge in tithing and giving that the earth and all its resources belong to God. If we succeed in our stewardship, He will bless us with greater responsibility. If we fail, He has the right to relieve us.

The paying of 10 percent of our income plus additional offerings are marks of good stewardship. The principle by which we determine our tithes and our gifts is simple. The more our income the more the tithes (the tenth) will be. The more our income, the more we should give beyond the tithes. But whether our tithes be large or small, and whether our giving be little or much, it is required of us as stewards to be faithful to God as He has prospered us.
