

"A cynic is one who never sees a good quality in a man and never fails to see a bad one." Henry Ward Beecher

"Education is the task of bringing the young and the great together." John Jay Chapman

The human body burns alcohol at the rate of about one-half ounce an hour.

WALK AROUND WARMTH

A Public Service From INTERTHERM Inc.

No matter the geographic locale, there are those dark wintry days when the house just seems chilly. Setting the thermostat at a higher temperature is wasteful, expensive and really does not seem to help much.

The answer is "walk around warmth." Or, a portable heater which can be carried from room to room and plugged into any 120-volt electric outlet to provide the heat you need when and where you want it.

Portable heaters offer ease, convenience and simplicity whole house systems cannot. Of course, portable heaters cannot replace central systems, but they offer a good alternative to being uncomfortable. Portable units are excellent sources of supplemental heat.

For a free booklet explaining the value of supplemental portable heating units, write INTERTHERM Inc., Sotheat Dept. P. 10820 Sunset Office Drive, St. Louis, MO 63128.

The week of October 3-9 marks a major event for 4-H club members and leaders throughout the United States. Those individuals as well as all other supporters of this major youth and human development program will be celebrating National 4-H Club Week for 1982. In Robeson County lots of publicity about 4-H activities with street banners, newspaper articles, radio programs, and special events will be the order of the day throughout this important week. A Special Leader and Sponsor Recognition Dinner will be one of the highlights of National 4-H Club Week in Robeson County this year.

National 4-H Club Week will follow on the heels of the close of the Robeson County Fair; whereby, an entire room was set aside to recognize 4-H activities through special displays and exhibits. In addition to the special exhibit room, numerous 4-H club booths and the 4-H Poultry Chain Sale on Monday night of the county fair were also major activities that 4-H'ers participated in during fair week.

Vernon McHam, our staff 4-H coordinator, along with Eddie Locklear and Jenny Smith provide the professional leadership for 4-H in Robeson County. However, 4-H activities are carried out by the active participation of over 1,200 4-H club members as well as many adult leaders and volunteers who give so unselfishly of their time to help make the 4-H program in Robeson County a growing entity.

A review of some of the 4-H activities for this year alone indicates that 36 different individuals participated in Public Speaking Competition. In the public speaking area Darryl McMillan won district competition and participated in state competition while Lisa Renee Jones was runner up in the junior division in the Southeastern District which encompasses counties from Scotland to Carteret.

An example of groups or organizations that give untiringly of their time and efforts was members of the Lumberton Toastmasters Club who helped to instruct and coach several of the public speaking participants. A Forestry Field Day attracted 76 individuals and there again, firms such as Federal Paper Board and individuals like Jim Deines and Jack Formy-Duval have played significant roles in promoting 4-H. The Traffic Safety Poster Contest was conducted with assistance from the public school in Robeson County with over 800 posters entered in competition. Twelve local 4-H'ers participated in the Fire Safety Bowl Competition and were district winners in that area. A Talent Show early in the year attracted 120 persons, while the 4-H Achievement Program involved more than 150 persons. In an attempt to recognize our sponsors and many adult leaders who give of their time and effort, a Special Leader and Sponsor Recognition Dinner was held earlier that involved 125 local citizens. During the spring Bike-Ride involved 100 participants and was conducted for the purpose of enhancing 4-H activities as well as rescue and Red Cross efforts in Robeson County.

The District and County Activity Days that were held in May and June were exciting events that attracted well over 100 persons but specifically involved 29 youth in the district activity and 45 youth in local 4-H demonstrations. These young people between the ages of 9 and 19 actually stood before an audience and described and demonstrated specific activities ranging from archery to special energy conserving procedures and from the American governmental system to egg cookery. Except for continuing 4-H projects themselves, participation in Activity Days by means of a demonstration is probably the most rigorous and self-image enhancing activity that any 4-H member can conduct.

Other special activities included 9 participants in State 4-H Club Congress as well as 35 persons participating in District 4-H Council Meetings and 60 adult leaders participating in District Leader Meeting and Weekend Retreats. Naturally, fun is and should be a major part of any youth activity, and 75 youth participated this year in 4-H Camp which was held at the newly opened Sertoma 4-H Camp which is located in Wilkes County.

While these activities mentioned make up only a part of the total 4-H programming activities, I trust that they do demonstrate the tremendous participation and overall success that is being enjoyed by such a large number of Robeson County youth as well as the many adults and other supporters who help to make the program a success.

Awarded Army Achievement Medal

CW2 (Chief Warrant Officer) J.C. Thomas of Pembroke has been awarded the Army Achievement Medal for Meritorious Service. CW2 Thomas received the medal on 3 September 1982 at Ft. Indiantown Gap, Pa. for instructing a course that had never been taught as written to any military organization (U.S. Army, Army Reserve or National Guard).

CW2 Thomas was primary instructor for MOS 740 Material Control and Accounting Specialist with assistance of three assistant instructors. Also two civilian personnel from Ft. Lee, Va. who utilized the course.

The statement which accompanied the award at Ft. Indiantown Gap, Pa. reads: "CW2 Thomas' dedication, loyalty and integrity demonstrated during the course was presented. The hours put in after normal duty further emphasize the selflessness and discipline this man brings to the job. CW2 Thomas' attitude, judgment and clear communications all served for an excellent graduation rate."

Now the master instructor's material and student materials will be corrected and printed and distributed to the U.S. Army, Army Reserve, National Guard for future MOS training. CW2 Thomas is an instructor with the 325th USAR School, Gwynn, NC and was attached to the 20th USAR School, Ft. Chatham, West Va. The award was presented by CW2 Thomas to the J.C. Thomas.
