SABUTE: A NEW MEMBER OF THE TEAM

There's a new member of the Spitler family team, Gregory Thomas Spitler, born Oct. 6 at Southeastern General Hospital and I've been a very excited father.

Greg came into roster weighing seven pounds, five ounces and was 201/2 inches tall. Both he and my wife, Barbara are doing fine. Oh, by the way, I was still in shock last week and it took me till this week to get the news out

to you. My parents, Mr. and Mrs. Franklin Spitler of Sanford, Barbara's parents, Mr. and Mrs. James M. Sawyers of Wytheville, Va. are all proud of their new grandson.

I wonder what sport he'll

THOUGHTS TO MANY WITH PSU

Our thoughts and prayers are with three families as this week was a sad one at times in the PSU athletic department.

Patrick Lee, PSU basketball Coach Billy Lee's son, is in Duke Hospital after undergoing surgery this week. His condition seems to be improving as of press time.

Angie Suedbeck, a PSU cheerleader, has been in the hospital in Fort Bragg and was recently transferred to Moore County. It was discovered there that she had a tumor in her liver area and will be undergoing surgery in Washington, D.C. She has lost down to 88 pounds and has had a temperature as high as 104 at night.

On Tuesday afternoon the sad news arrived at PSU that

retary for the Department of tion, was killed in a traffic per game accident. Our prayers are with them at this time and also the Suedbeck and Lee families.

RONALD H. HAMMMONDS District #5, Lumbee River Electric Membership

Corporation

I give special thanks to the more than 1,300 consumers of LREMC who cared enough and were concerned enough to come out and participate in balloting for four directors to represent their concerns. I think the message was made loud and clear as to the sentiment of the membership.

I will work diligently toward redressing those concerns, keeping in mind that I am one of twelve members

on the board of directors.

As a member of District #5 I would Board of Directors like to thank Mr. James H. Hammonds for his nine years of service and hard work. With your help and patience I hope I can continue to provide the same kind of leadership and service.

Again, THANKS!
