## Prospect Volunteer Fire Dept., Prospect Auxiliary Spread Christmas Cheer

by David Malcolm

Clio, SC-Members of the Prospect Volunteer Fire Department and Prospect Auxiliary made Christmas a little more special for some needy families in Clio with gifts of food and clothing they took down to Hickory Grove United Methodist Church Sunday, Dec. 19.

All of the families helped are members of the church which is pastored by Rev. Dufrene Cummings. In all, the boxes filled with assorted can goods, fruit, vegetables, candy and a large turkey were delivered to 25 families.

Much of the clothing, which filled several large bags and boxes, was donated by Bernard Smith, operator of Smith's Jean Outlet. The rest had been collected by members of the fire department and auxiliary and stored at the fire station.

The group from Prospect joined members of the congregation in a weenie roast in the church fellowship hall before moving into the church for a short Christmas program

put on by church members. A At the conclusion of the program Santa Claus came laughing his way into the building-passing out fruit. After everyone who wanted to had come up and sat on his knee and hugged his neck, members of the fire department began moving in the boxes of food.

The trip marked the tenth time in the last 11 years that members of the Prospect Volunteer Fire Department and Prospect Auxiliary had made the trip to Clio. The first time, in 1971, men from the fire department went down and largely built the church. In following years, the men and women of the two groups took food and clothing as well as making needed repairs to the church building.

As the food was about to be passed out, Delton Oxendine, assistant VFD chaplain, told the church members, "We do it not to show that we have more than you, but because we love you."

## CELEBRATES WEDDING ANNIVERSARY

## Holiday Hints

### Swift And Savvy Seasonal Treats

Here's a quick and easy holiday entertaining tip that will add an elegant touch to an impromptu soiree or become the piece de resistance at a formal sit-down dinner.

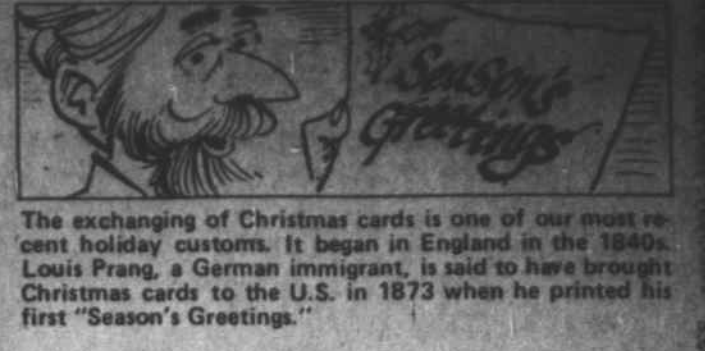

Simply pour Waterford Cream, authentic Irish Cream Liqueur, into small chocolate cups wrapped in decorative foil. The 1 1/2 ounces, pre-made cups are available at many supermarkets.

Serve these mouth-watering delicacies on a silver tray with coffee and allow your guests to savor a sensationally sweet experience.

The exchanging of Christmas cards is one of our most recent holiday customs. It began in England in the 1840s. Louis Prang, a German immigrant, is said to have brought Christmas cards to the U.S. in 1873 when he printed his first "Season's Greetings."

Many historians believe that the Christmas celebration had its origins in ancient Greek and Roman festivities to mark the midwinter change of seasons.

## The Bellamy and Ruthie Graham Cummings Family gathers

The Bellamy and Ruthie Graham Cummings family recently had a family reunion at Bear Swamp Baptist Church.

Invited guests were Rev. and Mrs. T.M. Swett, Rev. and Mrs. Tommy Hagans and Council Graham, the only living bother of Mrs. Ruthie Cummings.

Delicious food was furnished by family members. Business consisted of setting up plans for a yearly family get-together.

Music was furnished by the Graham family.

A member of each family gave a talk. Iris C. Rowland sang her grandmother's favorite song, "The Garden."
