grade North Carolina History. According to Social Studies Supervisor for the County School System, Jackie Sherrod, the two sessions conducted by the Robeson County Staff received high applauds as being two of the best sessions by many of the participants at the 15th Annual North Carolina Social Studies Conference.

Migrant Education Opens The **Doors to Success**

This was the theme of the 15th Annual Eastern Stream Migrant Education Conference held at the Baltimore Hilton in Baltimore, Maryland February 26-29, 1984.

The Conference Planning Committee stated that eighteen years have passed since the inception of a National Migrant_Education Program and during this time many changes and significant accomplishments have been witnessed in the education of Migrant children. The key to the success has been the high degree of collaboration among the states to develop and deliver services effectively to a mobil population. There-
