Little-known 'vitamin' makes love grand
McKinney, TX-Little did Dr. Phillip Handler know back in 1941 that his newly discovered nutrient "Vitamin 15" would one day have men and women all over the country smiling quietly to themselves.
Today, N,N-Dimethylglycine (DMG) is no longer classified as a vitamin. But it has changed the lives of thousands of men and their mates.
A naturally occurring nutrient sold under the brand name NutriSurge (but more often called simply "The Love Pill"), DMG works by increasing energy, improving metabolism, enhancing the flow of blood to key areas of the anatomy.
NutriSurge has a cumulative effect: the more you take it the better it works. Most users take two, but up to six tablets may be taken daily. Satisfaction is guaranteed.
See for yourself why thousands swear by NutriSurge. For a 60 tablet supply send a check or money order for \$29.95 plus \$4.95 postage and handling payable to New Village Media, 257 Park Ave. So 12th Fl., NY, NY 10010 or call toll free 1(800)288-5695 to order by credit card.
