**Pembroke Housing Authority**  
Job Announcement  
Maintenance Mechanic Assistant (Regular, Full-time) Grade: 14  
Salary Range \$16,270 - \$24,039  
Description:  
An employee in this class performs skilled trade work in the maintenance, repair, and renovation of buildings, and maintenance and upkeep of the grounds: Work involves performing in a variety of trades. Work may be in response to resident requests, result from inspections or be part of the recycle process preparing housing units for new residents. Work may include carpentry, painting, sheet rock replacements or horticulture and grounds maintenance tasks. The employee works fairly independently, occasionally with the assistance of a temporary or part-time worker. Materials and tools are procured by the employee from the stockroom. Major equipment purchases are performed by the supervisor. Employees are exposed to hazards and conditions, extremes in temperatures, and exposure to equipment, noise, gases, oils, and vibrations. Work is performed under the regular supervision of the Maintenance Supervisor and is reviewed through inspections in progress and upon completion.  
Duties and Responsibilities  
Repairs and maintains housing units; works on the recycle crew or from work orders; prioritize work orders; obtains materials and tools; performs carpentry, painting, or other trades task duties. Hang doors, windows, and sheet rock; replaces door and window panel, molding, door knobs and panes; repairs and rebuilds cabinets; replaces counter tops; changes locks; paints; install floor tile. Maintains grounds, shrubs, beds and related areas around the housing authority units. Installs light fixtures and electrical receptacles and rewires lights. Completes work orders and requisition slips; maintains vehicle mileage records; tracks use of supplies and refurbishes truck. Operates a variety of hand tools, power tools, and small equipment. Mows grass, rakes leaves, edges sidewalks; trims trees; replaces weed eaters; removes litter from grounds; cleans housing units; vacuums, strips, waxes, and cleans floors, cleans bathrooms, and appliances. Maintains and services housing authority vehicles and equipment. Performs other duties as assigned.  
Application Deadline  
All interested persons must complete and return to the Central Office of the Authority an application as provided by same. Applications is June 18, 1999.  
Pembroke Housing Authority is an Equal Opportunity Employer

**UNCP graduates largest nursing class in history**  
Pembroke -- The largest class of nursing graduates in UNC Pembroke history graduated in recent ceremonies.  
A total of 33 graduates received Bachelor of Science in Nursing degrees. On May 12, the nurses were "pinned" in a special ceremony that was held in the Givens Performing Arts Center because of the large size of the class.  
The increase surprised university officials who saw 13 nurses graduate last year from Pembroke campus of the joint UNCP-Fayetteville State University BSN program. Fayetteville holds separate ceremonies for its graduates.  
"I was told the number would be large, but this is more like an explosion," Chancellor Joseph B. Oxendine told the gathering of 400 at the pinning ceremony. "I am tremendously impressed by this program, which is only six years old."  
Officially named the Southeastern North Carolina Nursing Consortium, the program is unique because it is shared equally by two universities. The consortium, which accepts Registered Nurses from across the region, was accredited by the National League of Nursing in 1997.  
The increased class size should continue into the future. Chancellor

## Pembroke Kiwanis

Mr. Randall Jones, Director of Individual and Commercial Resources of the Lumber River Electrical Membership Corporation was the speaker at the Tuesday evening meeting of Kiwanis Club. He was presented by Program Chairman Furney Lambert. Both men were former members of the J.C.'s where their acquaintance and friendship started. Randle is the son of the late President English Jones of the now University of North Carolina at Pembroke. Both Father and Son were avid golfers. They sure have played a large roll in the development of the college and electrical systems of the area. Lumbec River Electric Membership Corporation began on March 15, 1940 when a group of citizens from Robeson, Hoke, Scotland and Cumberland Counties met at the Courthouse in Raeford and unanimously voted to form their own electric cooperative. Its purpose to provide electric service to rural/areas considered unprofitable by large power suppliers. So on June 27, 1940 LREMC received it's Charter. Our cooperative serves 38,000 members with 3858 miles of line, 1090 employees and the membership has more than doubled. It is owned by it's members it serves. Lumbec River EMC is the sixth largest cooperative of the 28 electric cooperatives in the state. Its main office is in Red Springs. The general manager directs the operation of the cooperative in accordance with policy formulated by the 12 member Board of Directors. There is a genuine interest in providing the best in power. Seventy percent of LREMC revenues is used to pay for wholesale power. The remaining thirty percent is re-invested back in the form of wages, taxes local purchases and system improvements. It is truly a fine development of cooperative realization of the finest democracy has to offer.  
Invocation: Clay Maynor, Song Leader: Ray Lowry, Presiding: George Kenworthy, Reporter: Ken Johnson

## Local Students Recognized for Excellence

Merrill Ashleigh Huggins from Purnell Sweet High and Jason W. Hunt from South Robeson High were recognized along with Students of Excellence from the other county high schools at the April 27th meeting of the Board of Education for the Public Schools of Robeson County. The Student of Excellence Award is a Chamber of Commerce Coalition initiative to recognize students for their contributions to their schools and communities. Each area chamber selects a student based on applications submitted from the high school in their area. Students who apply must have a 3.0 minimum grade point average. Each chamber honors the student with a plaque and other rewards for meritorious service and achievement.  
Merrill Ashleigh Huggins is an active participant in many school and community activities. She is a member of the Health Occupational Students of America and the American Indian Science and Engineering Society. For the past three years she has participated in summer programs through AISES at St. Norbert College in De Pere, Wisconsin, at the University of North Carolina at Chapel Hill and at the University of Iowa in Iowa City, Iowa. She is an member of her church, volunteers for the Carolina Civic Center, and tutors students in Algebra, Geometry and Algebra II. Ms. Huggins plans to pursue a career in medicine because she feels that "there will always be a stubborn or incurable disease plaguing the world" and that "a need for a medical specialist will always be present." The person whom she most admires is her mother who has been "a prime example of a well-rounded person."  
Jason W. Hunt is active in Junior Varsity Football and Varsity Baseball. He is a Sergeant at Arms for the Math Club and the manager for the Varsity Football Team. He joins his church in many community activities including many visits to area nursing homes. His lifelong dream is to become an archaeologist. He plans to pursue a Master's Degree in archaeology. He believes he will achieve his goals through hard work and support from others.  
All Students of Excellence recipients are recognized at individual schools at their area Chamber of Commerce meetings, and officially at the Board of Education presentations.

Oxendine said, "With our two pilot sites at Sandhills Community College and Richmond Community College, we have successfully reached out to a willing marketplace." Chancellor Oxendine said, "This shows both the strength of our program and the need in this region for professional training in health care areas."  
Nursing Director Ed Russell praised the nurses for their accomplishment, and said there is an excellent future in skilled nursing.  
"You have made a wise choice to continue your professional training," Dr. Russell said.  
"You have the academic knowledge and skill base to take you as far as you wish to go."  
In remarks to her fellow graduates, Barbara Willis of Lumberton said the road to graduation is difficult for women with families and full-time jobs.  
"I wish to thank my family and friends for their encouragement, support and love to keep me going," Ms. Willis said. "Many sacrifices were made to make this night possible, and we're truly thankful."  
Graduate Amanda Fryc from the Sandhills site said the university's decision to take the program to Southern Pines was critical for her.  
"Unless UNCP brought this program to the Sandhills campus, we might never have been able to advance our professional careers," Ms. Fryc said. "We received high caliber instruction from a faculty that treated us with the utmost respect as colleagues. I thank them."  
The graduates recited the nurses pledge, signed the official registry and received specially designed pins from UNCP.
