WHEELCHAIR PROGRAM FOR SENIORS

Mobility Equipment Available for Seniors

The "Seniors in Motion" program of North and South Carolina is making motorized and manual wheelchairs, three & four wheel scooters and other medical items avaliable to Senior Citizens (65+) and physically handicapped individuals. This equipment is available usually at no cost to those who qualify.

The program features in-home assessments by trained local rehab specialists, and a hardship policy is in place to help those without a full funding source. This program allows you to remain in your home and out of a nursing facility.

Today, physical impairments do not have to equal loss of independence. There is

Call 800-594-1225 for more information or to see if you qualify.
