Nov. 11 is Veterans Day ...

... and America is at war.

Blue Star Banners are back.

Since World War I, a Blue Star Banner displayed in the front window of a home told others that a family member was serving in the armed forces.

As we steel ourselves for a long and difficult war, the sight of Blue Star Banners in homes will remind us of the personal sacrifices being made to preserve our way of life.

Once again, American men and women are being called to war. They are our nation's newest veterans, fighting to wipe out the seeds of terrorism. Each of them leaves a family behind. Every neighborhood has someone serving.

This Veterans Day, we urge all Americans to remember those in uniform today, as well as the veterans of generations past. Their sacrifice to preserve freedom and opportunity for us all deserves our heartfelt thanks.
