THE subscriber requests all persons who have any demands against him, to render their accounts on or before the first day of September next; such as he may be indebted to, payment shall be made on liquidation, those who may be indebted to him are only requested to ascertain their balances.

The reason for this advertisement will be perceived, when it is recollected that the business of Donaldson, MacMillan, & Co. for the last 7 years hath been conducted by him, (in which many charges, probably all by some merchants) may be at his debit; and that he has now given it up to Mr. John Mitchell late his clerk. In this period the accounts of Donaldson, MacMillan, & Co. and the subscribers, are so blended, that no one but himself can separate them, and as it is a desirable object, the subscriber hopes to find in its completion.
