Newbern and Morehead.

We returned to the city this morning, after an absence of four days, to find on our table a pile of exchanges that no mortal man could a pile of exchanges that no mortal man could go through in one day; and, therefore, after returning thanks to our employees for making a good paper during our absence, we will say pal objects of their meeting, we hear, was for

tradesmen and artizans seem to be doing a thrifty business. The "City of Elms" seems to be fully reconstructed, most of the old citizens have returned, many strangers have settled there and are doing business and the best late the road upon having so able and efficient possible feeling seems to prevail. Steamers and other vessels are constantly coming and going between there and the northern cities, with good feeights both ways, the merchants are doing a lively trade, and the old town throw a city) is moving onward and upward, weeklon road, in regard to bringing the two possible feeling seems to prevail prospering and to prosper

Newbern has a thriving, energet- where they now are.

Suffrage and Amnesty.

Committee on Reconstruction:

and whereas, One of the most prelific sources of unfriendly sentiment is the conflict of opinion existing on the subject of negre suffrage; and whenever it is now most evident that there

opinion existing on the subject of negro suffrage; and Whereas, It is now most evident that there is no probability whatever that the Senators and Representatives in Congress from the States whose people were lately in insurrection will be allowed to occupy the seats to which they have been elected, until such States shall have complied with certain fundamental conditions, a portion of which are hereinafter recited; and Whereas, It is unreasonable to expect the reestablishment of harmony and good feeling as long as the cleven Southern States, whose people were recently in insurrection, as a prevented from resuming their ancient relations to this Government; therefore be it Resolved, &c., First. That each of said States, whose people were lately in insurrection, as aforesaid, shall be recognised as having fully and validly resumed its former relations withis Government and its chosen representatives shall be admitted in the two Houses of the National Legislature, whenever said States shall have amended its Constitution as to do away all existing distinctions as to civil rights and distinctions as to civil rights and distinctions as to civil rights.

such an establishment, and probable cost of terms and conditions, making no discrimination on account of race, color or previous condition of servitude: provided that those who were qualified to vote in the year 1860 by the laws of their respective States, shall not be disfranchised by reason of any new test or conditions which have been or may be previous from the previous formulation of two hundred dollars and costs. We against think a man of annuch "enterprise" to of February.

disfranchised by reason of any new test or conditions which have been or may be prescribed since that year.

Resolved, That after the aforesaid conditions have been complied with, and the same shall have been ratified by anajority of the present voting population of the State, including all those qualified to vote under the laws thereof as they existed in 1860, a general amnesty shall be proclaimed in regard to all persons in such State who were in any way connected with armed opposition to the government of the United States, wholly exonerating them from all pains, penalties or disabilities to which they may have beened liable by reason of connection with the rebellion.

Resolved, That in view of the thorough assimilation of the basis of suffrage in the various States of the Union, all other States not above specified shall be respecifully requested to incorporate an amendment in their State Constitutions corresponding with the one specified.

Resolved, That in the adoption of the aforesaid resolutions, it is not intended to assert a coersive power on the part of Congress in regard to the regulation of the right of suffrage in the different States of the Union, but only to make a respectful and carnest appeal to their own good sense and love of country with a view to the prevention of serions evils now threatened and to the peaceful perpetuation of the repose, the happiness and true glory of the whole American people.

THE DAILY PROGRESS.

Vol. VII. | No. 95. RALEIGH, N. C., MONDAY AFTERNOON, MARCH 19, 1866.

STATE ITEMS.

From the Wilmington Herald of the 17th,

roads (Charlotte and Manchester) across the Relative to the agricultural operations in river crossing at Walker's ferry, on the N. W. Craven and adjoining counties we heard most branch, and Hilton, on the N. E., and forming gratifying accounts, and with favorable seans the shipment of cotton and other produce | hood of the Weldon road. The freight depot from Newbern, next fall and winter, wifl be and shops of the Manchester road to remain

Rairoad, and other gentlemen to Morehead, and dined aboard that fine ocean steamer. Capt Children ocean steamer as he is hospitable in port, as we have no doubt he is, we advise persons going north by water to look out for the Zodia. His dinner and wines on Friday could not be excelled, and a more jovial, good natured party never met around a festive board. Mr. Geo. W. Dulla, agent of the line, and Capt. Children or four hours were most pleasantly spent on board the steamer. Several steamers are running between Morehead and New York and all doing we were pleased to learn, a good business.

Nothing but capital and business energy are wanting to give our railroads leading to the coast a heavy business and to build up Newbern and Morehead. With such facilities as are offered by our own railroads and the steamers running to our own ports, in connection with them, the people of the states and over roads in which they have no interest.

Suffrage and Ammesty.

Railroad, ahoard that fine ocean steamer, as chancer at seamers are roads, differs from that of roads from this city north.

We record this proposed change with much pleasure and satisfaction.

The same paper says: The remains of Lieutenant Cicero II. Craige, of the Third North Carolina regiment, arrived in this city yesterday, and are now lying in St. James's church, awaiting interment, which they will receive this day at 11 o'clock. It is unnecessantly to invite attendance, as all who have ever though the steamers are running between Morehead and New York and all doing we were pleased to learn, a good business.

Nothing but capital and business energy are wanting to give our railroads leading to the coast a heavy business and to build up Newbern and Morehead. With such facilities as are offered by our own railroads and the steamers running to our own ports, in connection with them, the people of the state and over roads in which they have no interest.

Suffrage and Ammesty. the gallant dead!

Stiffrage and Amnesty.
In the Senate of the United States on Friday last, Mr. Stewart, of Nevada, offered the following resolutions, which were referred to the Joint Committee on Reconstruction:

AND YET ANOTHER.—It is expected, but through the incumbent earth to the water, and escape in noise, flames and smoke to the surface. But should a fissure at the bottom of the sea allow the water to penetrate to the first that throw up the melted metal of the Committee on Reconstruction:

Whereas, In the present distracted condition of the country, is is eminently proper and necessary that all just and constitutional means should be employed for the quieting of popular excitement, the removal of unreasonable prejudice, and the obliteration of all hostile feelings growing out of the late unhappy evil war:

other place. We cannot speak too positively and the obliteration of all hostile feelings growing out of the late unhappy evil war: of it here, as the arrival of his remains this morning is somewhat uncertain, at this, our

time of going to press.

the National Legislature, whenever said State the National Legislature, whenever said State than National Legislature, whenever said State among the various classes of its population by reason either of race, or color, or previous condition of servitude.

Second: To repudiate all pecuniary indebtedness which said State may have heretofore contracted, incurred or assumed with the late unnatural and treasonable War.

Third: To yield all claim to compensation on account of the liberation of iss slaves: and Fourth: To provide for the extension of the elective franchise to all persons upon the same terms and conditions, making no discriminaterms and conditions, making no discriminaterms and conditions, making no discriminaterms.

The contracted with the establishment and punishment of convicts and such other persons who, by the laws of this state, may be sentenced to labor; and the said committee make report to this court as soon as may be practicable, not only in reference to the policy of establishing such work house, but also as to the proper plan of such an establishment, and probable cost of creeting the same.
