**ADVERTISEMENT.**  
ON the 23d of November, the Subscriber hired a CARRIAGE and four Horses, to convey a Mr. H. and Family, from Norfolk, in Virginia, to Newbern, or Wilmington, in North-Carolina, with positive orders to the Driver to return direct.  
On the 7th of December he received information that one of his Horses died on the road, and that another was purchased by Mr. H. near Halifax to supply his place; since which he has heard nothing of either Driver, Carriage, or Horses.  
Fearing that some accident has befallen them, will be much obliged to any person who may have it in their power to inform him by post or otherwise.

The following is their description:  
The Driver is named **FRANCK APT**, a German, about forty five years of age, marked with the small pox in his face; his nose is very crooked; has lost the use of some of his fingers by a wound in his hand; is about 5 feet 10 or 11 inches high, remarkably thin, and speaks broken English, but is very talkative.  
Two of the Horses are black, one of them about 7 years old, slim made; the other much older and stouter; the third is a sorrel Horse, 14 1/2 hands high, 8 years old, and a remarkable heavy horse; the fourth is a large bay horse, blind.  
The Carriage is an open Coach, lined with drab cloth; the body, chocolate, carriage and wheels light blue; the front wheels are new, and the hind ones old. The Driver's Box is an old Windsor Chair with iron legs. The top of the Carriage is not lined.  
The harness is plated, and draws by collars.

Letters addressed, or information sent to the subscriber, will be thankfully received, and a suitable compensation made for any trouble attending the same.
