BCM—Would I be a success if I toy up the line of work that I want to follow?

Ans:—Sure you could. Don't stop school to take up this work but do so after you receive your school training. When you are able to open a shop of your own then you will make a comfortable living.

KKC—I read your column every week. Tell me if the man I love is true and does he love me only? Sometimes I think he is pretending.

Ans:—He is just as unfaithful to you as you are to your husband. No—he doesn't love you for he spends the majority of his time with another girl. Give this man up before your husband gets wise for you don't really care for him.

DNE—I am running a little store and I want to know if I continue on will I ever have a large store?

Ans:—Indeed you will. Every penny that you make out of this little place—use it to expand your business and when you get of age you will have a good paying business of your own.

CSG—My son left town about two months ago and I want to know if he will ever come back home?

Ans:—Yes he will. He wants to see the world and it will probably take him at least a year or eighteen months to do it but he will.
